THUNDERCATS #1

Dynamite Entertainment

The triple-threat talents (writers, artists, and *Thundercats* superfans) of Declan Shalvey and Drew Moss join forces to bring this exciting new entry in the *ThunderCats* canon to life! The *ThunderCats*, led by an inexperienced Lion-O, must band together against the combined threat of the the Mutants of Plun-Darr and Mumm-Ra, the devil-priest of Third Earth! This premier issue features 24 story pages as well as a host of the finest cover artists the galaxy has ever seen!

TMNT GALLERY: DONATELLO DELUXE PVC DIORAMA

Diamond Select Toys

Complete the Four! Joining Leonardo, Raphael and Michelangelo, the *Ninja Turtles*' resident tech-head Donatello is the last to join the team! Now you can complete your TMNT display, either by lining them up or joining them together in a rooftop configuration! Measuring approximately 10 inches tall, this sculpture is made out of high-quality PVC and comes packaged in a full-color box. Designed by David Forrest of Kinetic Underground, Inc., and sculpted by Sandro Luis Sampaio!

MIGHTY MORPHIN POWER RANGERS: THE RETURN #1

BOOM! Studios

Written by Amy Jo Johnson, the original Pink Ranger! In an alternate universe, the *Power Rangers* defeated Rita Repulsa and Lord Zedd, but at a terrible cost. In the wake of tragedy, the team went their separate ways. 22 years later, the reunites to mourn their fallen friends. But when Zack and Billy reveal that Jason, the Red Ranger, has been operating as a lone vigilante — and has disappeared — will the remaining Rangers be able to track him down, especially with a mysterious figure in pursuit?

PREDATOR #1

Marvel Comics

THE HUNT CONTINUES! For years, Theta has hunted and killed Predators in her search for the one that killed her parents. Now she's on a mission to free the human captives from the Predators' game preserve. But when a Super Predator is on the loose, even a seasoned hunter like Theta can become prey! Ed Brisson returns, joined by superstar artist Francesco Manna in an epic new arc that will leave you on the edge of your seat!

PREVIEWS FROM THE EDITOR

HAPPY HOLIDAYS TO YOU ALL!

As we wind down the last issue of 2023, we're working hard behind the scenes to get all our pages in a row, and especially working to make this year's FREE COMIC BOOK DAY reveal the best yet. Starting on page 31 of this issue, you'll find our FREE COMIC BOOK DAY section, filled with all of the official Gold and Silver publisher sponsor titles. As always, there's something for everyone, of every age, and every interest in 2024's crop of titles, a few I can't wait to get my hands on!

And like every year, we also have an exclusive new t-shirt from a popular comics creator, along with a full-color print of their FCBD-inspired image and, for the first time, a portion of their image has been turned into a vinyl decal, perfect for decorating your car's bumper, your laptop or locker interior!

I've had a lot going on lately, especially with the first issue of my new comic book series, *The GunHAND*. We finally finished the 24 pages of interior art this week (Nov. 1st for the curious!) and my buddy Mark Haynes is currently lettering the issue as I speak. I can't wait for your all to see what artist Matt Plog and I have done. I speak for both of us when I say we are very proud of how it turned out. And yes, we're going to be a bit late shipping, but even the big guys ship late sometimes, and this was our first issue... Matt and I both had a learning curve to see what it takes to do this. Anyway, we'll hopefully get issue #1 into shops by December! Fingers crossed!

Oh, and because I didn't get a chance to show folks this one until now, here's our 1/25 Cover D for *The GunHAND* #1 by my friend KELLEY JONES. I think it rocks!

That's about it for us this year. We are tuckered out and a bit frazzled. But in the good way...

From all of us here at Diamond Comic Distributors and our sister companies, we wish you all Happy Holidays, and a joyous and most excellent New Year!

I'll see you all here next month for the first issue of 2024!

Your Pal @ **PREVIEWS**,

Marty

Frank Miller Dark Knight Returns Pages Reach \$550K at Heritage

Frank Miller's *Dark Knight* has set another auction record. The pages were part of Heritage's International Original Art and Anime Auction on October 6-8, 2023, which realized \$3,596,570. *Batman: The Dark Knight Returns* two-page spread in which Joker snaps his neck to make it look like Batman killed him sold for \$550,000. They are now the most expensive story pages from the book and only the cover to the first issue has sold for more.

Auction highlights also included a John Romita Sr. and Mike Esposito *Amazing Spider-Man* #52 page pitting Spidey against the Kingpin for \$137,500, the Comedian's murder in the first issue of *Watchmen* by Alan Moore and Dave Gibbons for \$115,625, and Steve Ditko's *Amazing Spider-Man* #36 page of Spider-Man going against the Looter for \$100,000.

eMoviePoster Fall Auctions See \$471K in Sales

eMoviePoster's auctions in late September and early October brought in a total of \$471,121 in sales. The auctions contained a mix of signed items, international posters, lobby cards, oversized posters, bulk lots, and more. The big sellers were a Cachou Lajaunie French advertising poster for \$2,389 and a 20th Century Fox 1976 campaign book for \$1,700.

Some of the auction's surprise hits were an Italian *Bullitt* 1970s rerelease one-panel for \$1,305, *High Plains Drifter* one-sheet for \$1,260, a *Galloping Ghost* lobby card for \$1,053, and a bulk lot of 275 *Superman* movie 35mm slides for \$790.

20 Years of the Walking Dead

In October 2003, writer Robert Kirkman and artist Tony Moore introduced a new kind of zombie story with *The Walking Dead*. Instead of ending after the initial outbreak or melee, it considered what would happen when people tried to survive long-term. This meant exploring the practical needs of creating safe shelter, finding/growing food, and creating relationships with other survivors.

But exposure and starvation are minimal threats compared to the ever present concern of being attacked by the dead. And what could be worse than that? Well, the answer is easy: other survivors willing to do anything to ensure their continued existence and improve their position in the new world order. *The Walking Dead* ran for 193 issues through 2019 with Kirkman writing the entire series. Moore provided art on the first six issues, then Charlie Adlard drew the remainder of the series.

Please tell us a bit about yourself!

Most folks know me because of my stint in the early '90s at Malibu-turned-Marvel, where I edited the *Protectors* line of comics and after that a bunch of *Ultraverse* titles. But I got my start in comics before that as a freelance writer, and wrote a bunch of comics before joining the staff at Malibu. When it comes to written projects, many remember me for the Aircel series *Cat & Mouse*, which ran for nearly two years. But I also wrote things like *Planet of the Apes: Blood of Apes*, *Battletech*, *Miss Fury*, and others. Today, I'm a university instructor by day, and I make comics by night!

What are your favorite projects you've contributed to over the past decade?

As writer, I'm always obligated to say my favorite project is the one I'm currently working on, right? I was happy to get to work with Kyle Hotz on a graphic novel adaptation of *The Remaining* a few years ago. I've really like Kyle's work since I was his editor on [the *Ultraverse* series] *Night Man*, and to have the opportunity to write for him was nice!

What are you currently working on?

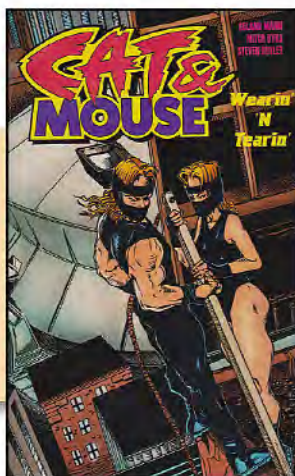

I'm working on a couple of series that should be on stands soon. I'm very excited to see *Trumps* (See **Page 391**) finally see the light of day this month! My family plays a lot of cards when we get together, and the germ of the idea was born from that. It's been percolating for years, so it's fun to see

it finally headed to the shelves. And of course, the new *Cat & Mouse* series I've got cooking up is something I'm very excited about. They're still in New Orleans, but they're taking on human trafficking these days... of course, with some *ninjas* tossed in for good measure!

What fun titles are you reading?

I've enjoyed with Ross Richie and Boom! Have done with *BRZRKR* (Vol. 1 / MAY210997). When I read that, I can practically hear Keano's voice in the dialogue! JC Vaughn's *Al Capone, Vampire* (Issue #1 / AUG231534) over at American Mythology has been a lot of fun. And you can't go wrong with a classic like Dave Sims' *Cerebus* (Vol. 1 / STAR00070), which I've been recently re-reading. I'm also a big fan of Jeff Smith's *Bone* (Vol. 1: *Out of Boneville Color Edition* / MAR128109), and I think *Tuki* (Vol. 1: *Fight for Fire* / SEP211387) will take its place right beside it!

USER'S GUIDE

There's a *lot* of awesome comics and products to look through in **PREVIEWS**. "A lot" might be a bit of an understatement, as each month's catalog is filled with hundreds and *hundreds* of pages of upcoming comics and related merchandise! It can be easy to accidentally overlook a new series you've been dying to read or a figure you've been pining to add to your shelf when there's so many things to browse. That's why we've put together this guide to help you learn how to use **PREVIEWS** like a pro to order the awesome titles and products you want!

WHAT EXACTLY IS PREVIEWS?

PREVIEWS is part catalog, part magazine (we call it a *Mag-a-log!*) of monthly listings of all of the upcoming comic titles and related products from your favorite publishers and manufacturers in one convenient place. And don't worry—**PREVIEWS** is organized by publisher and product type (and color-coded to boot!), to make it easy to find and flip to the section or items you're looking for. Each item listing has the information you need, such as format, size, page count, price, release date, stock or item code, and descriptive text, and nearly every listing is accompanied by artwork or images.

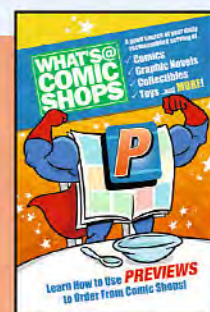

The most important aspect of **PREVIEWS** to remember is that items solicited in the catalog are anticipated to ship 2-3 months later (or more). For example, if you found a comic you wanted in the May issue of **PREVIEWS**, you can expect to see

it turn up in your local comic shop in July. The catalog can be a great resource for figuring out where your favorite comic series is going, or for discovering new ones that you'll want to add to your library—not to mention all the other awesome products!

HOW DO I ORDER FROM PREVIEWS?

When you've picked out all of the items you want, you can fill out the **Short Order Form** included in your copy of **PREVIEWS** and submit it to your local comic shop. You can also ask your friendly neighborhood retailer about obtaining a **Customer Order Form**, a booklet that contains a complete listing of all the items made available for that month. These forms make pre-ordering your comics and products a breeze and can help your local comic shop decide what to stock in the store for other customers, too! Be sure to also ask

your retailer about their **pullbox or subscription service**. Once you've submitted your order, you can sit back and relax, or try to contain your excitement until your comics and merchandise arrive!

PREVIEWS LEGEND

Throughout this issue of **PREVIEWS**, you'll find a variety of symbols and terms that will help you in selecting items from this catalog. Here's what they mean:

Gems of the Month

The top offerings, as chosen by our Premier Publishers—these are the best bets in comics whether it's the next high-profile project or a new ongoing series.

Featured Items

In other sections, you'll find Featured Items, the top monthly products offered in their categories.

SPOTLIGHT ON

Spotlight On

These items are not to be missed; highlighted to get your attention.

PREVIEWS Exclusive

These are items available only through **PREVIEWS**! When you see this icon, you'll know you're ordering a limited item found nowhere else!

Featured Theme

Each month, **PREVIEWS** features a different theme to highlight certain titles and products. Look for that month's themed icon to find these selected items.

Indie Edge

The cutting edge of independent comics and creators, look for this icon on selected titles throughout the Comics & Graphic Novels section.

ESSENTIAL ITEM

Essential Item

These are best-selling backlist items that are available for immediate order from your local comic shop. If your shop doesn't have a copy in store, they can order one for you and have in less than a week!

Offered Again (O/A)

These items have been previously offered before in **PREVIEWS** and are being made available again.

PI or Please Inquire

Your store will set the price for all "Please Inquire" items — check with your retailer for the price on these items.

MSRP or SRP

Manufacturer's/Suggested Retail Price. These designations provide suggested pricing information for a majority of items not carrying a retail price. Actual prices may vary depending upon market conditions. Please check with your retailer.

Caution (CAUT: #-#-#)

Cautions listed at the end of catalog descriptions indicate an item that may ship late or otherwise diverge from its **PREVIEWS** description. These codes are separated into three categories:

International Rights (I-Rights) — the item is restricted into what countries it can be sold.

0 = No International Rights restriction;

1 = International Rights are restricted.

Content Changes — the content may change after solicitation.

0 = No Content disclaimer;

1 = Content disclaimer enforced.

Ship Date Changes — the final shipping date may differ or change from the scheduled ship date.

0 = Item is expected to ship within 30 days of the EST SHIP DATE.

1 = Item is expected to ship within 60 days of the EST SHIP DATE.

2 = Item is expected to ship within 90 days of the EST SHIP DATE.

PREVIEWS Abbreviations

SC = Softcover, HC = Hardcover, TP = Trade Paperback, MMPB = Mass Market Paperback, FC = Full-Color, b&w = Black & White; PC = Partial Color

A Note to Toy Collectors:

Your retailer cannot guarantee receiving specific items — such as action figures — when they must be ordered in case or "assortment" quantities. Please be aware of this when ordering action figures and other items designated as cases or assortments.

USER'S GUIDE

ORDERING GUIDE

Ordering from your local comic shop is easy!

There are **3** simple ways to order:

1

Use the Short Order Form.

Fill in with the items you'd like to order from this issue.

2

Ask for the companion Customer Order Form.

We offer a companion order form that features a complete listing of every product offered in this catalog. Fill out what you want to order and hand in to your comic shop to place an order!

3

Ask your retailer about their "Pull & Hold" service.

Many retailers offer a "pull & hold" or subscription service where you can order your monthly comics and merchandise easily. They'll hold your orders for you and you can pick up your items when it's convenient for you! Be sure to ask your retailer to give you a copy of **PREVIEWS**, Marvel **PREVIEWS**, and the **PREVIEWS** Customer Order Form each month so you can place your orders easily! For more information and to sign up, go to previewsworld.com/pullbox

PINK RANGER AMY JO JOHNSON RETURNS TO THE POWER RANGERS WITH HER BOOM! STUDIOS SERIES, THE RETURN

56 ■ BOOM! Studios
\$4.99

Actress Amy Jo Johnson memorably portrayed the original Pink Ranger in the original *Mighty Morphin Power Rangers* thirty years ago, and in 2024 she returns to the world of Power Rangers with her series for BOOM! Studios, *Mighty Morphin Power Rangers: The Return*!

Over twenty years after the Power Rangers delivered a final defeat to Rita Repulsa and seeing their work finished, the Power Ranger retired and disbanded, going their separate ways, moving on to adulthood and the next chapters in their lives. A death in their circle of friends brings them back together, along with the revelation that Jason, the Red Ranger, never actually retired, continuing to operate under a different guise — and now Jason has disappeared. The remaining Rangers must decide if they will take up their old mantles and find their lost friend — with an unknown threat lurking that has taken an interest in their activities and endangering the lives each built.

Joined by co-writer Matt Hotson and artist Nico Leon, Johnson pens a very different expansion of the Power Rangers mythos in *Mighty Morphin Power Rangers: The Return*, exploring the lives of six adults who were Power Rangers in what seems like another lifetime and are drawn back into a world they thought they had left behind. Look for *MMPR: The Return* in February 2024!

DYNAMITE RAISES THE SWORD OF OMENS IN *THUNDERCATS*

Beloved 80s syndicated cartoon *ThunderCats* returns in February with Dynamite Entertainment's new comic book series!

The ThunderCats, escaping their dying homeworld of Thundera, sought refuge on a lush, verdant new world, but were instead stranded on Third Earth when their starship was attacked by the Mutants. Now, the evil sorcerer Mumm-Ra and the mutants of Third Earth attempt to defeat the ThunderCats and seize the power of the Eye of Thundera from Lion-O, the leader of the small band of survivors on the dangerous Third Earth.

Declan Shalvey and Drew Moss chronicle this new era of *ThunderCats* for Dynamite Entertainment. With covers from Jae Lee, David Nakayama, Lucio Parrillo, and more, *ThunderCats* brings the action and adventure of the beloved 80s animated series to a new generation!

CELEBRATE TWENTY YEARS OF BRYAN LEE O'MALLEY'S SCOTT PILGRIM WITH TWO ONI BOX SETS

Bryan Lee O'Malley's manga and video game-inspired *Scott Pilgrim* graphic novel series marks its twentieth anniversary in 2024 — the first volume, *Scott Pilgrim's Precious Little Life* was published in August 2004 — and Oni Press celebrates with two boxed sets collecting the entire six-volume series!

Oni is releasing *Scott Pilgrim 20th-Anniversary Hardcover Box Sets*, one in the original black & white, the other in full color. Both come in clamshell packaging with typography that resembles the original Sony PlayStation 2, and inside fans will find new cover designs by O'Malley, in-universe collectible items, sticker sheets, and a behind-the-scenes book about the making of the fan-favorite series.

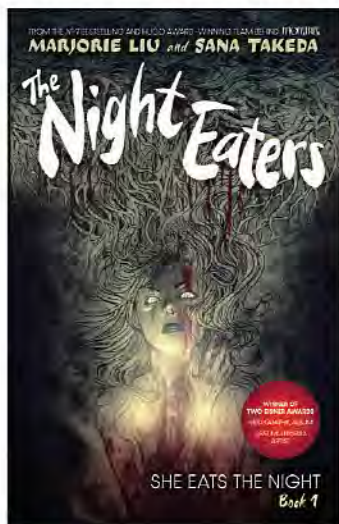

Whether you're a long-time fan, someone who discovered *Scott Pilgrim* through the 2010 cult movie, or a new fan who watched the new Netflix anime, Oni's *Scott Pilgrim 20th-Anniversary Hardcover Box Sets* are a birthday present worth celebrating!

THE RETURN OF A CULT CLASSIC TITLE!

In February 2024 comes the long-awaited return of **THE SAVAGE SWORD OF CONAN**. Published by Heroic Signatures and Titan Comics, the magazine will feature all-new gritty and gruesome tales from the world of Conan, presented in its original black and white format.

We spoke to artist **MAX VON FAFNER**, whose story **CONAN: THE GENERAL**, written by John Arcudi, will be featured in the first issue.

MAX VON FAFNER *THE SAVAGE SWORD OF CONAN*

What can you tell us about **CONAN THE GENERAL**?

It is a great privilege to be trusted to work on such a project, especially with such a professional as John Arcudi. The story is imaginative and full of twists and turns, and I enjoyed illustrating it. I believe that this is a story that you will read in one sitting. I tried my best to make it visually appealing, so you will come back to it many times.

Had you read any of Conan's adventures before entering this project?

Great question! I grew up on Conan stories. I feel a strong connection to Conan as a character. Since childhood I have been fascinated with Conan comics, movies. Very often, as an artist, you feel like Conan, you are alone and you have to make your way and survive through thousands of adventures, "fight" with the best and survive. And that's how I've been doing it since

childhood, Conan has his sword and I have a pencil and brush. Now we are finally fighting together, and it feels great.

What drew you towards illustrating **THE SAVAGE SWORD OF CONAN**?

For the past ten years, I have been working on projects that have almost always been epic stories about slave revolts and barbarian struggles for freedom. I worked for French publishing houses but always hoped that fate would eventually lead me to my old childhood friend Conan. That's how it was, and here I am.

How is illustrating for a black and white format different from illustrating for colored interiors?

I have always worked on complete pages, from drawing to coloring. I applied this integral work process even before I enrolled in art schools (art high school and university of fine arts). During this learning and

working process, I mastered drawing, colors, and light. It is the light that makes and creates form. Once the light is mastered and understood, it is immaterial whether the scene is in color, gray and white.

Classic **SAVAGE SWORD OF CONAN** was known for delving into the bloodier, more violent side of Conan. Does the new edition from Heroic Signatures and Titan Comics do the same?

So let me put it this way. You will get everything you had, but you will get much more. I made a sincere effort to visually bring the whole project into the zeitgeist. A great inspiration as an idea was Jim Steranko and what he did when he started doing comics. Steranko introduced certain trends from art and film into comics. I tried the same thing but in relation to today's trends that we see in popular culture and art.

(W) Samuel Sattin, Osamu Tezuka (A) Gurihiru
A dynamic reimagining of Osamu Tezuka's classic *Unico* manga for a new generation of readers. *Unico* tells the incredible story of a young unicorn who, after enraging the evil goddess Venus, is banished from the heavens and forgets all he once was. Saved from oblivion by the kindhearted West Wind, Unico continues to help others, before having to escape Venus again and begin a new adventure. In this preview, Unico awakes in a mysterious land and is befriended by a resourceful watch cat, Chloe, who feels protective of the young unicorn. When they find themselves near a small village in the forest, they take refuge with a kindly, but helpless, old woman. To take care of her, Chloe begs Unico to turn her into a human girl, but that act of kindness has unforeseen consequences: Unico's love has awakened Venus and her minion, Byron, who want to destroy them both!

IDW PUBLISHING

MONSTER HIGH: NEW SCAREMASTER FCBD 2024 EDITION

(W/A) Various
Greetings, ghouls, Ghostly Gossip here to tell you all about IDW and Mattel's very first *Monster High* comic. Don't look so scared! The monsters may bite, but the comics shouldn't... Gossip is scary-sparse during *Monster High*'s summer break, but this update is juicier than a Creepateria blood orange... Frankie Stein's summer has been the total opposite of relaxing. She wants to spend time at home, but her friends are blowing up her iCoffin. Could it be a fashion emergency or is the ghoulish squad in trouble? Plus, a little batty tells me that readers might get a behind-the-screams look at IDW's new series: *Monster High: New Scaremaster*. The ghouls are back at school, it isn't all creepovers and monster balls like before. If you're into frights, fiends, and fangs, you won't want to miss this; it'll be totally spooktacular."

DYING INSIDE FCBD 2024 EDITION

(W) Pete Wentz, Hannah Klein
(A/CA) Lisa Sterle

From Fall Out Boy's Pete Wentz, Hannah Klein, and Lisa Sterle comes the first complete chapter of *Dying Inside*, a graphic novel about a chronically depressed girl who's tired of fighting for her death. Today is Ash's big finale. And by finale, of course, she means exiting the stage permanently. Ash is a sixteen-year-old girl with more angst than Ian Curtis and Elliott Smith combined (her two idols). She's apathetic and therefore believes death is the easiest route to relief. That doesn't mean she'll go out without a bang, though! Nothing is more embarrassing than a lame death. Unfortunately, her meticulous plans — which include the perfect outfit, soundtrack, and method — are all ruined when the beautiful knife she buys off a webstore turns

out to be charmed with a protection spell. Now, Ash has to track down the witch who turned her clocking out attempt into the worst gift imaginable: immortality. Turns out, the witch responsible is another sixteen-year-old-girl named (get this) Liv. The two vow to undo the charm together and fight for Ash's life... well, death.

2024 Commemorative Artist

TERRY MOORE

Under the banner of Abstract Studio, Terry Moore has been publishing his groundbreaking comics and graphic novels for almost thirty years. His award-winning work, *Strangers in Paradise*, carved out a unique space for him in the world of American comics. Debuting in 1993, when *The Death of Superman* and other super-hero titles were dominating comic book sales, Moore set out to explore a different narrative with *Strangers in Paradise*, one that would eventually be termed "slice-of-life dramedy." The story centers on the lives of Francine and Katchoo, a pair of twenty-something best friends who eventually fall in love. The fan-favorite series features romance, action, intrigue, and Moore's signature humor.

Strangers in Paradise was in publication for fourteen years, during which time it received great critical and commercial acclaim, including wins for an Eisner Award, a Reuben Award, and a GLADD Award for Best Comic. *Strangers in Paradise* has been translated into twenty-one languages and is as popular today as when it was first published in 1993. Terry would follow it up with *Echo*, *Rachael Rising*, *Motor Girls*, *Serial*, and the more recent *Parker Girls*. With consistent, thoughtful, and innovative storytelling, Moore has built a devoted following in comic shops.

With *Strangers in Paradise* being reprinted in a four-volume trade paperback set in 2023 and 2024, Terry Moore provides the art for 2024's Free Comic Book Day Commemorative Artist T-Shirt, Poster, and, new for 2024, Vinyl Sticker. Featuring his beloved characters Francine and Katchoo doing something every comics fan loves to do — reading comics! — these products are the perfect way to celebrate your love of comics and art.

In a world where no one believes you exist, **what would you do to be remembered?**

The city of Oshawa, Ontario has vanished without a trace. Even worse, nobody remembers it or the 170,000 missing residents that disappeared along with it.

As the survivors also fall into the forgotten, they must seek each other out, if they hope to have any chance of surviving in a world where no one believes they exist...

Highly acclaimed writer **Ed Brisson** (*Batman: The Brave and the Bold*, *Predator*), rising star artist **Luca Casalanguida** (*Regarding the Matter of Oswald's Body*, *James Bond*), and red hot colorist **Dee Cunniffe** (*Barnstormers*, *Crossover*) pose the question... how can you feel connected to reality or each other if by all veritable means, you don't exist?

A **brand new** Mighty Morphin saga from the imagination of the **original Pink Power Ranger** herself!

In an alternate universe, the Mighty Morphin Power Rangers finally defeated Rita Repulsa and Lord Zedd, but at a terrible cost... In the wake of tragedy, the team went their separate ways.

22 years later, the long-disbanded team reunites to mourn the losses of beloved friends, but Zack and Billy have some unexpected information to share—Jason, the Red Ranger, has been operating as a lone vigilante, and has since disappeared. Will the remaining Rangers be able to track him down, especially with a mysterious figure in pursuit?

Written by actress, screenwriter, and director **Amy Jo Johnson**, the original Pink Ranger herself, along with rising star co-writer **Matt Hotson** (*Titans*) and renowned artist **Nico Leon** (*Spider-Man*, *Catwoman*), fans can experience something unlike anything they ever have before in the Power Rangers universe, in TV or comics!

DARKEST HOUR Begins Here!

With control of the Morphin Grid and Dark Specter's infection spreading throughout all of time and space, the separated and stranded Rangers receive help from the last team they'd expect, but the DRAKKON RANGERS may not be the help they were hoping for...

Meanwhile, a Master Arch explosion strands Trini, Zack, Kimberly, and Tommy on a mysterious and deadly planet, and it'll take a team effort with Aisha to break the vile spell cast on their close friend and the current Green Ranger, Matt.

And with the Death Ranger, the possessed Wild Force Rangers, and the return of an evil bounty hunter also in the mix, their Master plan best not fail... or the Rangers may be erased from existence forever—good thing the HyperForce Rangers are also on the scene!

Writer **Melissa Flores** (*Dead Lucky*) and artist **Simona Di Gianfelice** (*All-New Firefly*) along with guest artist **Hendry Prasetya** deliver the highly anticipated event that will forever change the Power Rangers universe! Collects *Mighty Morphin Power Rangers* #111-114.

**Do YOU Have What It Takes To
Become A POWER RANGER?**

13-year-old Sage lives on an isolated lunar colony farm with her adoptive father, but everything changes during a lunar storm when she comes across the wreckage with wounded passengers from an academy founded by the famed Zordon, where the brightest and most clever teens train to protect the universe from evil. People called: Power Rangers.

Sage and her friends will join together and work tirelessly to discover the truth of why the Green Ranger was erased from the Power Rangers history. While Sage doubts herself more than ever, she must learn to trust her friends — and trust herself.

Only together will Rangers-in-training right past wrongs and stop an ancient enemy's takeover of the academy and contamination of the Morphin Grid!

Acclaimed YA author **Maria Ingrande Mora** expands the Power Rangers universe with a never-before-seen team along with superstar artist **Jo Mi-Gyeong (Eve)**!

Collects *Ranger Academy* #1-4.

In the ruthless war against monsters, nothing is unthinkable or off-limits for the White Masks.

A fan-favorite White Mask named Bait (a mute boy with amputated arms and a tendency to survive suicidal odds), is dispatched with a mission more malicious than imaginable in a group home for children. While Bait does his best to ignore the children's cruelty toward him, he's left with more questions than answers after monsters attack. What does a kind, mysterious girl named Nannette have to do with what's going on?

With Bait's fellow White Masks Paris and Tybalt keeping the pressure on, and Scarlet Mask Gerde's secret scheming in the shadows, writer **Sam Johns** (*Punchline*) and artist **Letizia Cadonici** (*The Neighbors*) take *House of Slaughter* to new emotional depths of terror.

Fleeing through space to escape their dying home world, the ThunderCats were attacked en route by their mortal enemies, the Mutants of Plun-Darr. After diverting their damaged flagship to a planet called Third Earth, the surviving ThunderCats now strive to rebuild their society in harmony with the new world's natives. But the Mutants, determined to possess the ThunderCats' mystical gem, the Eye of Thundera, have tracked them down — and they've also forged an alliance with Mumm-Ra, the devil-priest of Third Earth!

Now the ThunderCats, led by an inexperienced Lion-O, must band together as never before to protect their legacy from this combined enemy. But will they be able to withstand the onslaught of Mumm-Ra the Ever-Living, once he sets his eyes upon them?

The triple-threat talents (writers, artists, and ThunderCats superfans) of DECLAN SHALVEY and DREW MOSS join forces to bring this exciting new entry in the ThunderCats canon to life! THE THUNDERCATS CREW INTRODUCE THE NEW ERA! WRITER DECLAN SHALVEY AND ARTIST DREW MOSS

What was your introduction to the ThunderCats in your life prior to working on this series? Did you grow up watching the show or have any toys, previous comics, etc.? Are there any particular memories you cherish of the franchise?

Declan: My childhood memory is a bit spotty at best, but I nevertheless have a clear memory of seeing the cartoon for the first time; that opening title sequence is just as impressive now as it was at the time. I remember having a Lion-O figure — until my sister threw him down the stairs and his head broke off. I don't cherish that memory. I also had a Mumm-Ra, and I do remember having a plastic Sword of Omens that would extend. Man, I loved that thing.

Drew: To be honest, I have a lot of fond memories associated with this show. I watched it during a rough period of my childhood and watching this show after school was my respite from all that

was going on. I played with the toys, running around yelling "ThunderCats, Hoooooooo!" or pretending I was Tygra turning invisible and hiding in the trees outside. The show was a definite escape for me. I actually had all the Mattel and Super 7 figures but unfortunately had to sell them during the pandemic.

Declan, the original show that introduced many fans to the franchise is from the 1980s and had a particular tone of the era. How are you approaching adapting the characters to a more modern outlook in terms of that tone and style?

Declan: Looking back at the show with fresh/adult eyes, I was surprised to see just how out there *ThunderCats* was as a sci-fi concept, and that's something I want to lean into more — taking what was established and focusing it more, much like Drew's designs. You'll recognize the characters as you knew them, but it will be a bit more refined — something of a *Lost in*

Character designs by Drew Moss

Space feel, but with lots of other concepts thrown in that remind me of comics like *Superman*, *Shazam!*, etc. Most important, I want to dig into Lion-O as a character more, as well as his relationships with the other ThunderCats. I think there's some family dynamics that we haven't seen before that will be interesting to look at.

Drew: It is actually a dream come true. WB has been super receptive to my designs, and Dec and Nate have been so encouraging — I am a very lucky guy to be working with them. I was drawing these guys when I was nine years old, and to have the opportunity to draw them now with my spin on their look is unreal.

Drew, you've drawn a lot of big comics series with lots of action and/or large casts, like *Gargoyles: Dark Ages* and *Vampirella/Red Sonja* in recent years with us. The ThunderCats, with their feline-like appearance, are a unique cast to draw, with several characters usually featured. How has the work been so far? Fans can see your wonderful initial character designs on these pages.

Drew Moss

For both of you, we know it's like picking between your children, but do you have a favorite cast member or two of the ThunderCats? In particular, from the perspective of writing and drawing them?

Declan: I have a soft spot for the straight-laced lead characters, so Lion-O comes to mind first, but I'm looking forward to digging into Panthro more. I think he's my secret favorite. I can't wait to draw more of all these guys on covers too, especially Mumm-Ra.

Drew: My favorite Cat has to be Tygra. I think his redesign in particular is my favorite, with his mustache and utility belt. Drawing Mumm-Ra and Slithe are really fun too. I tried my best to keep faithful to the OG but add a touch of modern design sense.

To celebrate the start of Vampirella's sixth decade in comics, CHRISTOPHER PRIEST and ERGÜN GÜNDÜZ continue their legendary run on the series with a mind-bending new story that launches with the landmark issue #666 — restoring the legacy numbering for the title that will continue going forward, reflecting all of Vampi's previous appearances in print. The road to #700 starts here!

This explosive tale opens with a bang as Vampirella is murdered by a mysterious blonde woman who looks exactly like her — only to awaken, alive again and surrounded by her husband, friends, and pseudo-superhero mom Lilith. All seems normal and right with the world, except for her nagging suspicion that none of it actually is — and the fact that she keeps being murdered, over and over, by that strange blonde! Strap in for our weirdest yarn yet as "Beyond" takes everyone's favorite space vampire into a whole new world — one that she herself may have created!

Featuring jaw-dropping cover art by LUCIO PARRILLO, FELIPE MASSAFERA, CARLA COHEN, ERGÜN GÜNDÜZ, and RACHEL HOLLON cosplay, this milestone 40-page issue also includes "Sanctuary," Priest's classic 6-page wordless story from 1999's *Vampirella Monthly* #19, illustrated by ALAN DAVIS!

CHRISTOPHER PRIEST REWINDS THE CLOCK, CELEBRATES 666 ISSUES, AND CHARGES FORWARD IN THE MOST HISTORIC VAMPIRELLA STORY YET!

Priest, we must ask you of course what you think of the fun numbering here with *Vampirella* #666. You've been involved in a few big celebratory anniversary issues in the course of your career, like *Conan the Barbarian* #200, the big #1,000 marks for *Detective Comics* and *Marvel Comics*, and we won't think too hard about how a #1,000,000 issue comes to be...

I think it apropos to give the comic the same number as my age :-)

I don't know, I think the biz has changed a lot over time. A lot of us older fans really enjoyed the issue numbering and felt it important to keep our sets complete.

A NUMBER ONE was a huge deal, and milestone numbering was an event to be celebrated. I think all the reboots have diminished this aspect a great deal, with younger generations of fans now not as invested or not invested in quite the same way.

You first took on the helm of the Vampirella franchise in 2019 for our big 50th anniversary. It all kicked off with an echo of the origins that fans had previously seen for the character, with her as the sole survivor of a tragic plane crash. We hear fans will be seeing that moment again

here, maybe even more than once, with a big twist. What is going down this time?

For *Vampirella*, we'd completed our 50th anniversary volume with our issue #25, and that allowed us to stretch and explore a bit over the course of the pandemic through *Vampirella/Dracula: Unholy*, its bookend *Vampirella/Dracula: Rage*, and the way-too-much-fun *Vampirella Year One*.

But I knew that, presuming Dynamite didn't ship me off to the Old Writers' Home, what I would want to do most was get back to basics. Our 50th Anniversary run began with a fairly simple premise: a single girl trying to make it on her own in the big city. She just happens to be a vampire from outer space with a pushy, vengeful mother and a collection of supernatural enemies out to kill her.

After the heaviness of *Rage*, wherein a vengeful *Vampirella* becomes consumed by darkness, I wanted to get back to where we started with the wonder, fun, and poignancy of those first issues and *Vampirella* restored to her whimsical goodness. We've done that... sorta.

There's always a catch. I mean, that's the fun of reading ANY story, any novel or magazine or comic. There's the story you think you know, and then there's the unexpected curve that creates the thrill ride. And that's where we are with issue #666: back home, back where we belong. Sorta.

One of the working titles for this series and perhaps still for the story arc is "Beyond." Could you elaborate a bit on what that means for *Vampirella*?

The "Beyond" arc title was intended to reflect the idea of a woman having all her wishes granted. The basic gist of my *Vampirella* series has always been, ostensibly, wish fulfillment. Casper the friendly Ghost wants what we all want — commu-

nity. Friends, family, love, purpose. The only problem is that Casper is, in fact, a dead baby, and people find that sort of thing scary.

Vampirella's quest for those very same things has always been complicated by the fact she is a vampire from outer space surrounded by and pursued by a wide-ranging cast of characters that might be right at home in the '60s sitcom *Bewitched*. The suggestion is that Vampi might actually find the love and happiness she's always sought, if only these kooks would leave her alone — which, of course, they won't, because they're kooks and she's a space vampire.

But, thought I, what if *Vampirella* COULD achieve those things? What if she could realize the fulfillment and happiness she sought? So what if we went all the way back to our beginning, strip away the tragedy, the heartbreak, the betrayals, even bring dead characters back to life? What if we did all of that...

... only to put *Vampirella* into a position where she has to un-do it all, lose everything, in order to save the world? We discover *Vampirella's* new status quo has been engineered, and the mechanism which created her happiness is dooming the planet.

As a writer, the main thing you try to do is put your protagonist into a headlock and then drag him or her into a dark alley toward a brick wall. Then figure out how the protagonist overcomes certain doom before the series ends. Here, in "Beyond," we're doing that in spades.

Turkish artist Ergün Gündüz is returning as well, ready to tap back into the artistic vision he helped debut with you a few years ago — flipping it on its head

a bit while also tying together everything that has been seen to date from our *Free Comic Book Day #0* all the way to *Vampirella/Dracula: Rage #6*. How important was it to bring him back in for this particular story?

Oh, it's vital. I wouldn't do this idea without Ergün because "Beyond" is a deconstruction of the world Ergün created. Ergün's characters play key roles in the story and the look and unique feel of Ergün's world is what drives this arc. We will be revisiting specific landmark scenes in the early issues that Ergün must now match perfectly (and he has!) in a kind of *Groundhog Day* round-robin.

As part of the celebration for hitting this nontraditional #666 milestone, we're including a little extra for fans. The issue will feature a wordless short story you did with Alan Davis in 1999, originally published in *Vampirella* #19, the series fans often call the "New Monthly." What do you recall about that collaboration and story?

How terrified I was of them — of Vampirella and of Alan Davis. I had the pleasure of hanging out with Mr. Davis in Memphis recently, where I expressed (again) my appreciation for his having taken on that assignment. Yes, I'm just as big a fanboy as the next comic geek, and working with Mr. Davis on that assignment — which requires precise storytelling on his part since the story was to be "silent" — is one of the high points of my career.

When you go to war against the dark forces of the frozen north, there are some things you can't do without — like warriors, weapons, and the will to fight. You also need strong allies if you want to have any hope of victory. But how do you cement the kind of alliances that help to win wars? Well, if you have a daughter of marriageable age, a strategic betrothal might be a good way to go. And that's just what King Jarol of Firekeep has in mind for his beautiful, headstrong daughter, Teegra. But what happens when the eligible princes of many kingdoms line up to compete for fair Teegra's hand, only to find that the promised princess is suddenly nowhere to be found? Find out this February in a story we almost called "Teegra's Big Run"!

Renowned writer BILL WILLINGHAM and fan-favorite artist GABRIELE DI CARO return to the incredible world of Ralph Bakshi and Frank Frazetta's groundbreaking animated film *Fire and Ice* with this special 40-page one-shot, featuring perfectly primordial covers by DAN PANOSIAN and MEGHAN HETRICK!

RIDING IN HOT ON THE HEELS OF VOLUME ONE'S CLIFFHANGER ENDING — THE EAGERLY ANTICIPATED RETURN OF BLOOD! GUTS! AND A SUGAR RUSH! IS HERE!

Sweetie and her Candy Vigilante squad are back to kick off Volume Two of their SWEET new series with the epic, not-to-be-missed "Sugartown Showdown!" Together with her shape-shifting, licorice-loving lycanthrope Candy Wolf and newly "minted" ninjette warrior Pixie Stix, Sweetie faces off against her "salty" arch-nemesis Bart Volgare and his gang of thugs in the icy, snowy streets of New York City with a violently delicious fury.

So, you have chosen salt? So be it! Blood is spilled and lives are changed (including many ended) as an army of fabled supernaturals and sugar-fueled allies hop into action to scramble the bad eggs. Candy Wolf shows the crime syndicate soldiers what big teeth he has, while Pixie gives her newly gifted nunchucks a maiden battlefield test-spin, reducing criminal weaponry to molten scrap metal! Sweetie's signature Jawbreaker gun also resurfaces, armed with delicious new ammo (can't you just smell the gingerbread?), but not before she unleashes some brand-new, sweetly sinister confections that wash away the *naughty* and leave a wicked smile on your face — literally! Isn't that *NICE*?

What does Bart have to say for himself about the disappearance of Sweetie's parents? Will a certain supercharged monster truck fueled by ice cream make the scene? When the candy-coated carnage ends, will the bodies be bagged before NYC's Department of Sanitation barrels down the block to do their rounds? Pick up *Sweetie Candy Vigilante* Vol. 2 #1 and find out, gumdrop! This debut issue also includes a FREE MP3 download of the song "Hatchy Milatchy," a new, never-before-released track by Osaka Popstar recorded specifically for this book!

CRITICAL PRAISE FOR SWEETIE CANDY VIGILANTE VOLUME ONE:

"ONE OF MY FAVORITE SERIES LAST YEAR ... CONTINUES BEING ONE OF THE STANDOUTS AMONG THE AVALANCHE OF BOOKS COMING OUT EACH MONTH."

— THE COMIC BOOK DISPATCH

"NOT AFRAID TO BE SEXY, NOT AFRAID TO BE GORY..."

— POP CULTURE PHILOSOPHERS

"PICTURE WILLY WONKA DIRECTED BY QUENTIN TARANTINO AND YOU'RE GETTING WARMER."

— COMICAL OPINIONS

WHO — AND WHAT — IS SWEETIE CANDY VIGILANTE?

Sweetie Candy Vigilante is a honey-dipped, dark humor-infused horror/fantasy series that tells the tale of SWEETIE, an ethereal, beautiful, charming, well-meaning — yet unquestionably unhinged — blood relative of the mythological “Candy Man.” You know, the dude that takes the sunrise and sprinkles it with dew? Yeah, that’s the guy. Dismayed by the decay of her community, Sweetie decides to enact a blood-caked, sugar-coated manifesto on society by using her proprietary family secrets to make the world a “sweeter” place — starting with her hometown, New York City. Isn’t that *nice*?

Through her Candy Vigilante sweet shop factory — discreetly located in the industrial outskirts of Brooklyn — Sweetie secretly fights the bad eggs of organized crime with a violently delicious fury and a

loyal team of eccentric, supernatural allies who share her passion to make NYC less “salty.” Her magical arsenal of hand-crafted confectionary weapons can prove lethal to those who are “naughty” — or deliriously scrumptious (and in some cases, eternally life-changing) to those who are inherently “good eggs.” Suffer her wrath, and by her sugar-frosted flex... she will END you.

She’s the actual stranger that your mom warned you not to take candy from. Seems nice... *really* nice... PSYCHOTICALLY nice. Yeah, well, you’ll get it. Sweetie is the new Candy Boss in town,

and she’s out to make NYC “sweet” again — so buckle up, gumdrop, and make sure you save room for dessert — because it’s not like a little sugar is going to KILL you, *RIGHT?*

ELVIRA: BEHIND THE CRYPT

When you hear the name Elvira, only one person comes to mind: Horror icon and quintessential symbol of all things spooky, the one and only Mistress of the Dark.

Back in 1981, who could have imagined the hostess of a local horror movie show would become a household name? Elvira was the first horror host ever to be syndicated nationally, and she has emerged as one of today's most original and outrageous pop culture icons.

Elvira's reign as "Queen of Halloween" has spanned more than three decades and includes an IMAX movie, music CDs, books, and more than a thousand licensed products. She co-wrote and starred in the feature films *Elvira, Mistress of the Dark* and *Elvira's Haunted Hills*.

She has made hundreds of film, television, and live appearances — including the Grammy Awards, *Saturday Night Live*, NBC's *The Today Show*, the Tournament of Roses Parade, and the reality shows *Search for the Next Elvira*, *RuPaul's Drag Race*, *Counting Cars*, *Face Off*, *Epic Ink*, and *Halloween Wars*. Most recently she produced and starred in *Thirteen Nights of Elvira* for Hulu.

Played by actress/writer Cassandra Peterson, Elvira has carved out a niche in popular culture that is sure to endure for decades to come!

ELVIRA'S LONGTIME SCRIBE DAVID AVALLONE BREAKS DOWN HER LATEST ENCOUNTER WITH THE ONE AND ONLY H.P. LOVECRAFT

The Mistress of the Dark has recently tangled with several big figures of horror like Vincent Price, and she just survived another scrap with Dracula himself and a legion of monsters. Under your pen, she's run into some Lovecraftian horrors once or twice, but now she's meeting the man himself! What led to this direction?

I've circled around the idea of her meeting Lovecraft a few times. In the very first arc ("*Timescream*" — *Elvira: Mistress of the Dark* #1-4), I had her meet Mary Shelley, Edgar Allan Poe, and Bram Stoker and I'd originally planned that issue #4 would be Lovecraft... but in life, he was such an unpleasant guy and I didn't want to make light of that, and 20 pages wasn't enough to deal with it and also tell a fun story. So, that chapter became the set of *Bride of Frankenstein* instead, which allowed me to do a ton of Hollywood-in-the-'30s pastiches.

After *Horrorland* and *Monsterland*, I wanted to give the "Multiverse of Movies" a rest for at least one series. Those stories are so much fun to write — and honestly, they're easier than this one, because the movies give you a plot and characters to follow that the audience is already pretty familiar with. You can concentrate on the jokes and the satire. Lovecraft is a different kind of challenge. People sort of know the characters, they sort of know a little about the man (weirdo, loner, racist) and some fans are very familiar with the actual stories. It doesn't work quite the same way to just plug Elvira into "The Call of Cthulhu" and come up with a satisfying and funny story. So, this series is much more modeled on the Vincent Price mini (and there's a joke in the first issue pointing that out): ghost recruits Elvira for help. Except this time the ghost isn't a delightful scamp like Vincent.

H.P. Lovecraft is such a complicated subject, both within his stories and off the page in his own life. How are you going about pulling from both those tangled webs and integrating him with Elvira?

Funny you say "integrating." As above, I knew I could only write about Lovecraft if I'm honest about who he was when he was alive. I have no interest in whitewashing him just to make the story go down easier. His "politics" couldn't be further from Elvira's (or Cassandra's or mine.) So, we deal with that and — I hope — find comedy in this early 20th century racist ghost having to face a very different world from the one he left behind. Lovecraft claims he's reformed a bit in his time in the afterlife. It's an

open question if that's true... but you'll find out by issue five.

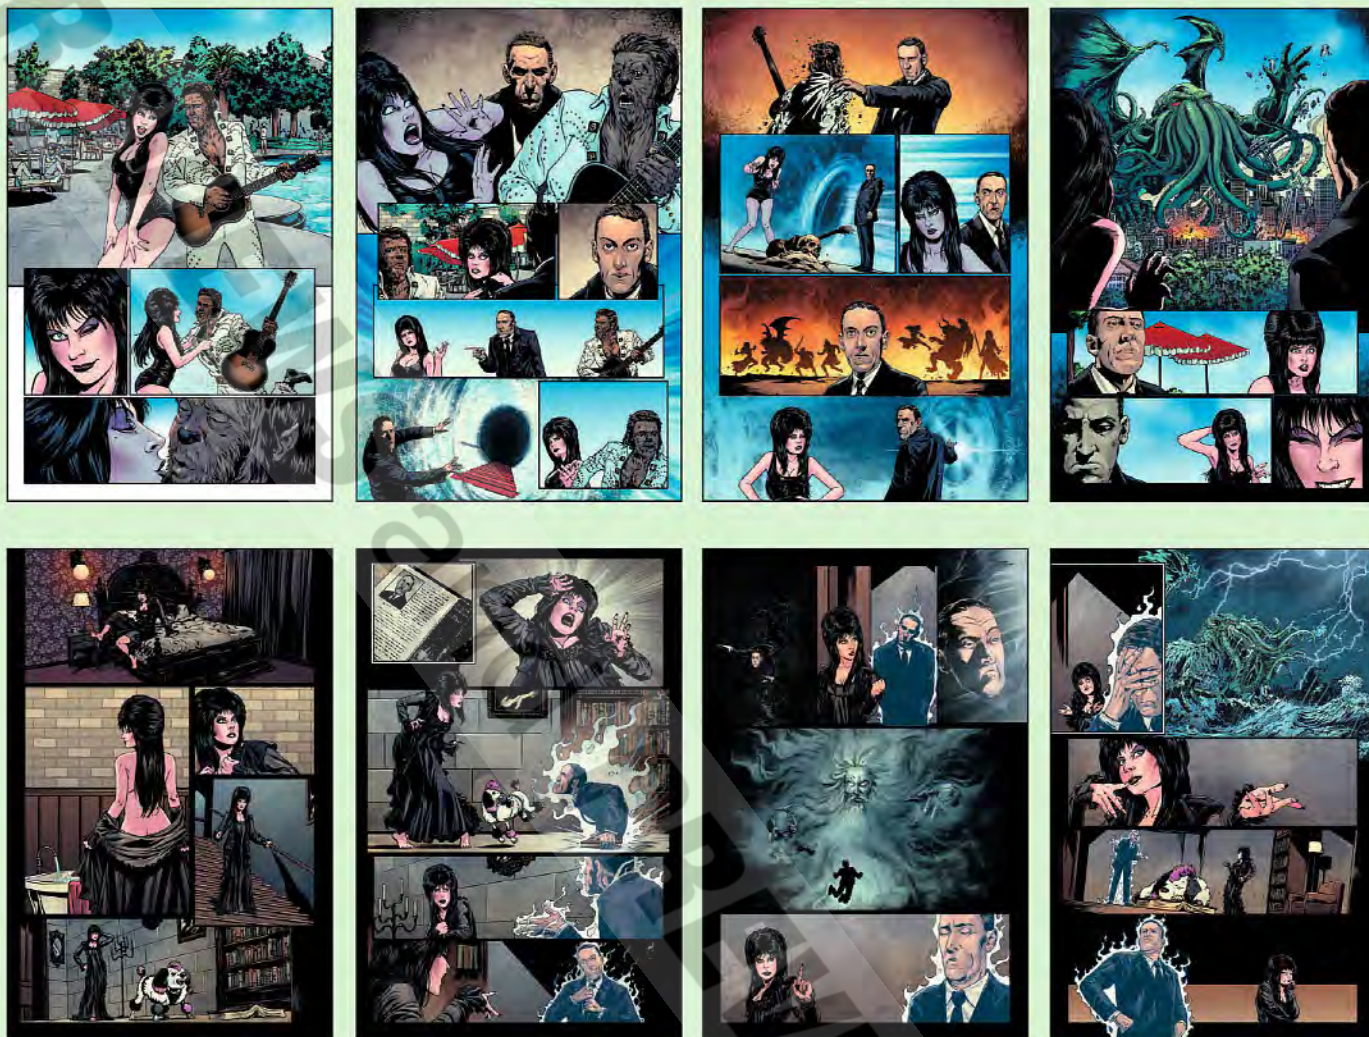

Are there any Lovecraft stories or elements from his fiction that you are most particularly pulling from for this tale, literally for inclusion or in inspiration as your favorites?

True Lovecraft fans will find a lot of echoes and Easter Eggs from his work. The first issue is "The Collect Call of Cthulhu." The second issue is tentatively titled "The Fun Witch Horror." That should give you an idea where I'm going with it. I should say that my dad had a copy of *The Dunwich Horror and Other Stories* when I was growing up, and I read it at a fairly young age. I was blown away by the writing and the imagination: it felt like "what if Poe wrote sci-fi?" I also noticed, even then, that so much of his horror came from fear of the "other" and the unknown, and how it became ugly that he extended that not just to tentacled space gods, but also to... immigrants, different races, etc. It bugged me, but I was able to skim past the ugliness. I fully understand that's not possible for everyone.

There's a little bit of a creative reunion of getting the gang back together for this series. Interior artist Kewber Baal is returning, following his work on *Elvira in Monsterland*. Original series artist and longtime covers contributor Dave Acosta is here of course. Then we're happy to have Robert Hack back in the crew. How does it feel working with such an all-star cast of Elvira masterminds?

Kewber and I had done a single issue of *Bettie Page Unbound* a few years back, and I had been very impressed with him, so I was happy when Joe Rybandt suggested him for *Monsterland*... and his work on that series was extraordinary. As such, I wanted him back for this and I can't wait for people to see how good this new series is going to look. Dave Acosta launched this Elvira enterprise with me almost five years ago now, and I always want him on the covers so that there's never an Elvira comic without Dave's art. Robert Hack did some covers for us, and I always want to do more with him: a truly singular artist and I can't wait to see what he turns out for us. And of course, the invaluable Taylor Esposito is back on letters, and Walter Pereyra on colors. Walter's work on *Monsterland* was particularly impressive, as he often had to evoke a dozen cinematic color palettes within one issue. I couldn't be happier with the team.

Nyx has finally managed to reconcile her human and demon sides — but she had to make a deal with her father, the mad god Chaos, to do it. Has she finally found her soul, only to sell it? Not if she has any say in the matter! There's an escape clause in the deal: Nyx has to kill her father. But how does one go about destroying a primordial force of the universe while keeping reality from falling apart? Well, you have to have a replacement standing by — and Nyx doesn't want it to be her. So the first thing she has to do is find a being capable of taking her mad dad's place. Does Craigslist even have a category for that? Find out in *Nyx Vol. 2: Family Matters*, written by the surprisingly lucid CHRISTOS GAGE and illustrated by the institutionally committed MARC BORSTEL! Collects issues #6-10.

CABINET #1

(W) Jordan Hart, David Ebeltoft (A) Chiara Raimondi
Mini-Series Premiere. In this vibrant, tongue-in-cheek adventure series, atypical teen Avani and midwestern jock Trent teleport across a post-Cold War landscape to collect bizarre relics. Why? Well, because they need to summon the arcane powers of a resplendent 17th-century cabinet to fix a teeny-tiny mistake the last time Avani used it... unleashing an ancient evil from its prison and accidentally slaughtering her parents. Courtesy of Eisner-nominated writer Jordan Hart (*Ripple Effects*) and co-writer David Ebeltoft, and introducing the technicolor wizardry of artist Chiana Raimondi! Each issue features a variant interconnected cover by artist Marguerite Sauvage! (STL302850)

INFERNALS #1

(W) Ryan Parrott, Noah Gardner (A/CA) John Pearson
Series Premiere. Abraham "Abe" Morgenstern, the son of Satan, has one month to live. Before he dies, he must decide which of his three wayward children—volatile narcissist Nero, conflicted field operative Jackal, or troubled schoolgirl Bee—will inherit his shadowy empire. But will Abe ever be able to truly cede control of the Apocalypse? Or does the Antichrist have something else up his sleeve... Writers Ryan Parrott (*Rogue Sun*, *Power Rangers*) and WGA Award nominee Noah Gardner are joined by Eisner Award-winning artist John Pearson (*The Department of Truth*, *Blue In Green*) for an epic tale about family, power, legacy, and the end of the world! Mini-Series Premiere. Neo Novena detective Ari Nasser is about to retire with an enviable record, until a brutal murder occurs, bearing all the hallmarks of the "One Hand Killer"... which should be impossible, since Ari already put him away not once, but twice in the years before. What follows is a deadly cat-and-mouse game as Ari pursues his quarry down the rain-soaked streets of Neo Novena. Ari will stop at nothing to unravel the secrets and ciphers of this case, but each revelation only leads further into the dark heart of his future-metropolis and Ari's own beleaguered soul. Grippingly written by award-winning writer Ram V with hauntingly atmospheric art and covers by Laurence Campbell and Lee Loughridge, *One Hand* is a miniseries that will keep you guessing until the very end. SHADOW DOCTOR

TPB SPOTLIGHT

Years in the making, this is the true story of writer Peter Calloway's grandfather, Nathaniel Calloway, a Black man who graduated from medical school in the early 1930s. Unable to get work at any Chicago hospital (because he was Black) and unable to secure a loan from a bank to start his own practice (because he was Black), Nathaniel turned to the only other source of money in Prohibition-era Chicago: the Mafia, run by none other than Al Capone.

Written by **Peter Calloway** (*Gothan City Sirens*, *Joker's Asylum: The Riddler*, *THE LAST SPACE RACE*) and illustrated by Eisner Award-winner **Georges Jeanty** (*The American Way*, *X-Tremists*), **SHADOW DOCTOR** is one of the most profoundly fascinating, startling and significant stories AfterShock has ever published.

This 128-page volume includes the complete series run, issues #1-5.

LAND OF THE LIVING GODS

TPB SPOTLIGHT

It is said that when the world dies, the spirits of the first people will return to witness the last days of humanity. Well, the spirits have arrived, and the end is here. But not everyone has given up hope.

Naledi, a teenage girl living in the deserted city once called Johannesburg, has always believed that there is a land, hidden away in time where the gods still live. And where there are gods, there are miracles. Perhaps even miracles big enough to save our dying planet. And so, after a lifetime of isolation, Naledi will head out into the unknown with little to hold onto but her faith – and her magical pet plant, Buyo.

A fairy tale for the times in which we find ourselves, brought to life by South African writer and producer **Isaac Mogajane** (*Matwetwe*, *Catching Feelings*) and Brazilian artist **Santtos** (*Night Shift*, *SAMURAI DOGGY*), **LAND OF THE LIVING GODS** will introduce you to a world of wonder and cruelty, beauty and perseverance – and leave you profoundly changed.

This 128-page volume collects the entire first arc, issues #1-5.

THE VINEYARD

TPB SPOTLIGHT

THE VINEYARD is a family-owned winery that sows and reaps by the blessing of the great god of wine and revelry, Dionysus. However, the Vines family's patron god requires complete devotion in the form of four sacrificial killings a year before each harvest. This has been done in unfettered obeisance. But all of that changed when the family's patriarch, Didache Vines, was in a horrible accident that left him paralyzed and in a wheelchair.

Now, the sacrificial and murderous duties of the Vines family have fallen to wife and matriarch, Maranatha Vines. With harvest season fast approaching and the family short of their annual sacrificial killings, Maranatha's struggle with her conscience puts all of her family – husband, son and daughter – in jeopardy.

Written by **Brian Hawkins** (*Black Cotton*, *Believe in the Name*, *Don't Ever Blink*) and illustrated by **Sami Kivelä** (*CHICKEN DEVIL*, *UNDONE BY BLOOD*, *Abbott*), **THE VINEYARD** is what happens when family values and otherworldly obligations collide.

THE MAN WHO F#&%ED UP TIME

TPB SPOTLIGHT

Sean Bennett is just an ordinary lab worker in a high-tech lab with a prototype time machine. And, yeah, he's got the same temptations any of us would have about going back in time to right old wrongs. So, when he meets a version of himself from the future who encourages him to do just that, Sean takes the temporal plunge. Only...can you guess what happens next? Did you read the book title? Yup. All of TIME is f#&%ed up now, and it's up to Sean to correct it – or else!

A time-twisted sci-fi action-comedy brought to you by multiple Eisner-winning writer **John Layman** (*Chew*, *ELEANOR & THE EGRET*) and artist **Karl Mostert** (*Batman: Urban Legends*), this 120-page volume contains the entire series, issues #1-5.

LAST LINE

#1- #2 SPOTLIGHT

Sally Hazzard just had the worst day of her life: While on her usual shift as a tube driver, the unthinkable happened when a man was pushed in front of her train and killed.

But... there's something strange here. Sally swears the man was pushed but her supervisors, witnesses and the CCTV footage all show the man falling on his own. Sally cannot let this go, and her investigation into the murder introduces her to an MI-6 agent named Edward Tarn also curious about the so-called accident.

Together, Sally and Ed discover an off-world explanation for the assassination, plus an alien invasion and the craziest plot twist of all: an interplanetary travel system buried deep beneath the London Underground!

adrenaline-fueled adventure.

COVER A: **JOE JUSKO**

CONAN THE GENERAL: WARRIOR. THIEF. AND NOW, GENERAL... Promised riches beyond imagining, CONAN finds himself bound for war at the head of an exiled Hyrkanian Prince's army. But when ancient monsters are unleashed and the Prince's recklessness imperils all, Conan will be forced to choose: abandon wealth for safety or face danger head-on to prevent innocent blood from drenching the desert sands.

SOLOMON KANE: MASTER OF THE HUNT: All Hallow's Eve. A night when the veil between the unseen worlds is thin... and something sinister has broken through. When an abomination from the blackest hells emerges to brutalize a small Welsh town, Solomon Kane is called to deliver God's judgement in the only manner he knows: salvation by the sword.

“This is the best and coolest animated series on Filipino folklore bar none” – **NME.COM**

This hardcover artbook follows the line from the TRESE comics through the series' eventual adaptation into animation, featuring production artwork and insight from the various creatives behind the project. When the sun sets in the city of Manila, don't you dare make a wrong turn and end up in that dimly-lit side of the metro, where blood-sucking aswang run the most-wanted kidnapping rings, where gigantic kapre are the kingpins of crime, and magical engkantos slip through the cracks and steal your most precious possessions. When crime takes a turn for the weird, the police call Alexandra Trese.

The book features sections on:

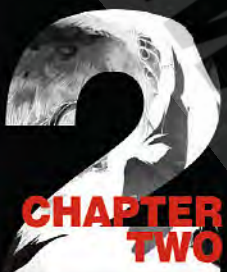

- The origins of the comic, and its creators Budjette Tan & Kajo Baldesimo
- The story of the producers at BASE Entertainment, Tanya Yuson and Shanty Harmayn and their pitching and landing deal with Netflix
- A look at the animation studio, Lex + Otis, including director Jay Olivia and the staff that worked on the TRESE animation
- The creative development process of bringing the comics to animation, including writing scripts, creating the characters and backgrounds, and more
- The development of the Voice Talent who worked on TRESE and the visuals attached to them
- Storyboards
- Finished stills and frames art from the series
- Details and art on the marketing and promotion around the launch of the show
- Photos and behind the scenes info, including a look at "TRESE AFTER DARK" an interview show with the key talent involved in producing the animation.
- Fan responses – art, memes & more!

“The series is captivating, with compelling Filipino folklore storytelling” – **POLYGON.COM**

TRESE: THE ART OF THE ANIME PREVIEW

Origins

Origins / of the comic

“Did you and Kajo always plan for your comic book to become an anime series?”

And of course, the answer is that *quadrifida* was "his." We didn't think our little photo copied comic book would ever become a globally distributed anime with a Philippine-wide covering and quasi-acknowledged pedigree, because it was the reason behind the sales of a local chocolate brand, we have our favorite rock band and also the series theme song in which concept. Because most of the city attempt to become the latter one too."

Well, I think we had a harder situation by that
 But you put the point.

So, when did *THOSE* begin? "I can definitely say that the very first complete script of *Those* was written in June 2005. That was when Kaja sent me a table of contents. Taking me off wanted to make a monthly comic book with him. And my quick reply to him was, 'That's impossible! Maybe we can just do a

And I said it was impossible because we both worked in ad agencies, where there's working hours were 9 to 5 (I became a full-time and you go home at 5, turn the radio off). Working in an ad agency means a lot of hours were spent on all over-the-road, which cost time like anything else. But I kept doing it for almost a year of the day to drive 10 days. So by the end of 23 days, we'd have 20 pages. Well, I was doing that for 30 months, then we'd have a 200-page graphic novel.

I still didn't think it would work, so I gave Kapp a 23-page document on the story.

*Only, when's your read hour?!

And we just kept on using from time and produce
a 1500 (1500) per month.

THE IMPACT OF STRESS IS AN INHERENTLY SUBJECTIVE AND PERSONAL EXPERIENCE AND SHOULD BE TREATED AS SUCH.

“He set this noir in the Manila I grew up in...in all its beauty and contradictions.”

I was home in Manila for Christmas and was looking around for material that could be turned into a film or a series. A friend showed me *The Godfather* and I checked out *Fido*, which was a really unusual genre, next that seemed to be a really good choice.

[illegible]

Would it be the same for the staff? Jones came back quickly and said, "No, we're it." Just like I. Even now, as I type this, I remember the only moment we felt knowing that we really had it a place.

I've still got even nostalgia of the journey is still because we're here to test all the beautiful art of the games and the series, and this journey is an about 10 years before we put it on screen. But I share some of the influences we've gathered. I hope the things that, around the same time and was looking at. Because I also met a fellow crew

ABLAZE is spotlighting some of the incredible creatives under our banner with specially priced collections of their extraordinary works! With our BASTIEN VIVÈS collection, receive two hardcover volumes that speak to the artist's mastery of poignance, tenderness, and expression.

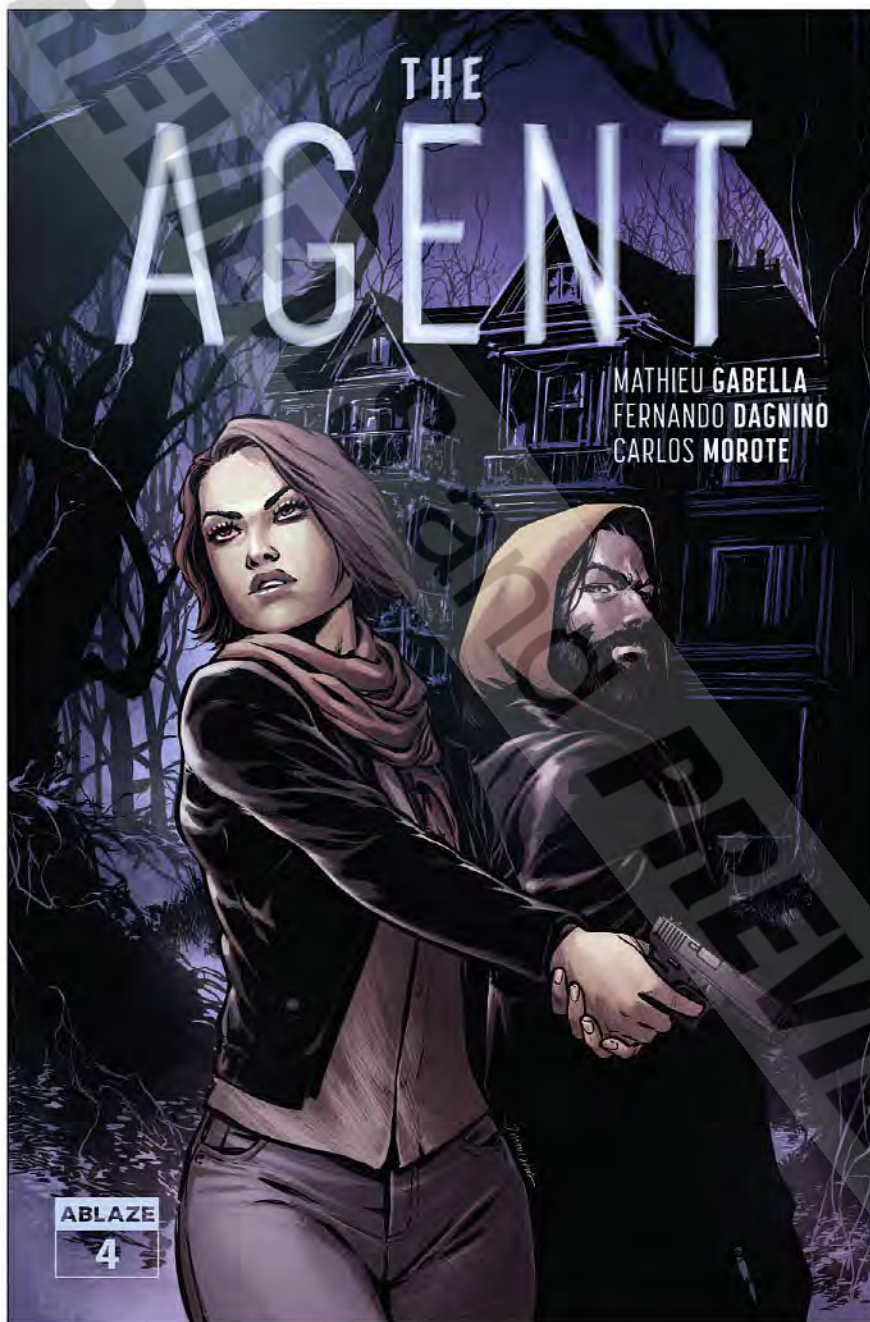

In **A SISTER**: Antoine, 13 years old, is on holiday at the seaside with his parents and his younger brother, Titi. Both spend most of their time drawing, at restaurants and on the beach. One night, Antoine discovers another person lying in their bedroom. Hélène is 16 years old; she and her mother came to spend a few days and her presence and behavior will change Antoine's life.

In **THE BLOUSE**: Séverine, a student of Classical Literature, is neither beautiful, ugly, brilliant, nor mediocre. The young woman lives a banal existence, without brilliance but without drama, alongside a companion who pays her less attention than a television series or video game. One day, however, she is given a silk blouse that will mysteriously change her life...

ASSASSIN'S CREED VISIONARIES PRESENTS SHINOBI + UNCIVIL WAR

WRITERS: BRAY DORNBACK & CHUCK AUSTEN
 ARTISTS: RYAN BENJAMIN & PATRICK OLLIFFE
 PRICE: \$4.99
 GENRE: ACTION-ADVENTURE
 RELEASE DATE: FEBRUARY 14TH

PGS: 32
 RATING: MATURE

We're back with a brand new edition of ASSASSIN'S CREED® VISIONARIES, where top industry talents bring you new, original visions that expand the vast universe of ASSASSIN'S CREED®!

In our first tale "SHINOBI," writer **BRAY DORNBACK** and artist **RYAN BENJAMIN** bring us to the Shogunate age of Feudal Japan. The target is a rival clan member and the kill has to be perfect. Failure means certain death and instant dishonor. A true Shinobi must protect his clan, even at the cost of his own life, pride, and honor. If his actions reveal his clan's involvement, Hamato's life will be forfeited to keep the peace...

Then in "UNCIVIL WAR," writer **CHUCK AUSTEN** and artist **PATRICK OLLIFFE** take us to the American Civil War, where a newly liberated slave, William Jones, uncovers a plot to assassinate leaders of the Union, including the President. Best course of action would be to assassinate the would-be assassins, but a freed slave killing a white man is treacherous business... even when it's meant to protect the fate of a fractured nation.

ZORRO: MAN OF THE DEAD #2

Writers/Artist: **SEAN GORDON MURPHY**
Colorist: **DAVE STEWART**

Price: \$4.99

RELEASE: FEB. 14TH

PGS: 24 RATING: MATURE

GENRE: ACTION/ADVENTURE

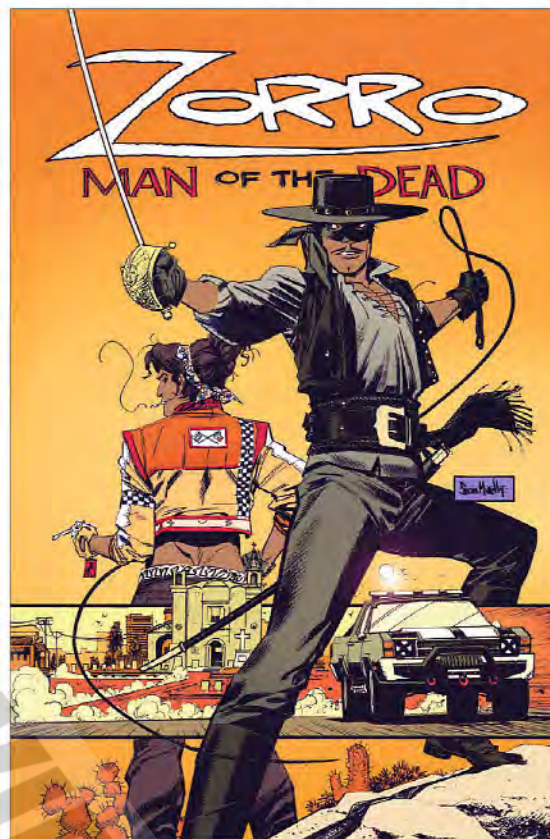

Don Quixote meets **Narcos** in Sean Gordon Murphy's **Zorro: Man of the Dead**. In this modern reimagining, the writer-artist behind DC Comics' **Batman: White Knight**, delivers a fresh take on the legendary swashbuckling hero.

Zorro has returned! Well, kind of. Diego has shown that the spirit of Zorro flows through him and he has left a trail of ne'er-do wells in his wake. But now Rosa must try to save her brother who believes he is the protector of La Vega, as El Rojo will certainly be hunting for the legendary Zorro now. But Diego isn't going anywhere without Bandido. Hop in Rosa's El Camino, and prepare for the next swashbuckling chapter in Sean Murphy's electric story of the man in black.

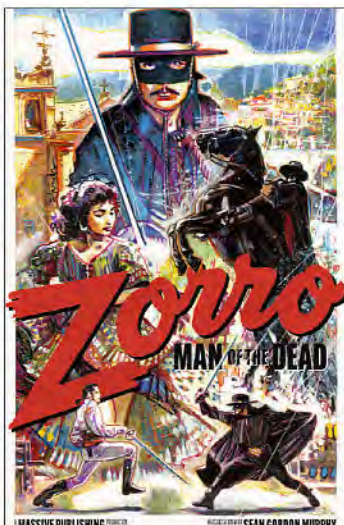

Cover by series creator Sean Murphy, known for his original take on Batman and his work on *Punk Rock Jesus*, *The Wake*, *Tokyo Ghost*, and *Joe the Barbarian*.

What if you were called upon by the **WORST** god of all time? In a frozen post-apocalyptic wasteland called "Freak Snow," a young cult survivor hears the voice of the self-proclaimed god of violence. Like any human would be, he is hypnotized by the prospect of power by listening to this divine freak. A path to salvation paved with love, turmoil, and mostly death.

A tale inspired by **Mad Max**, **Hellraiser**, **Fallout** and the filmography of David Cronenberg.

"Washed In The Blood takes you on a trippy thrill ride through visceral illustrations and an intensely cold, savage, post-apocalyptic tale."

—Jason Bennett, Popculthq.com

"The best storytelling (both textually and artistically) that I HAVE EVER SEEN."

—Comicbookposer.com

"If you give yourself to Roditelli's narrative, it will take you somewhere, and you'll arrive at the end smarter than whence you started."

As Seen on **CNN!**

Django Unchained meets **Buffy The Vampire Slayer** in David Crownson's **Harriet Tubman: Demon Slayer**, a supernatural comic series based on the true life of the freedom fighter herself that is flavored with genre liberties in the spirit of **Abraham Lincoln: Vampire Hunter**. Soon to be an original series on **Disney+**!

In a moonlit frenzy, Harriet and the Edgefields hurtle towards Venus's rescue, only to collide with a deadly demonic force. In this uncanny night, nothing is as it seems.

Will Venus survive? Will our heroes survive? Only time will tell.

LOVE STORIES Month 2023: WHAT I READ FOR LOVE...

Love is a powerful emotion. It drives people crazy... makes them happy... makes them sad... and songwriters have been singing about it for centuries. It's called many different things in many different languages, but the truth of it all is that it's universal. As the Beatles put it so eloquently: "All You Need is Love."

With that in mind (and that tune now bouncing around your brain!), we turn our attention to this month's **PREVIEWS** theme: *Love Stories*. History is filled with tales of love: Anthony and Cleopatra, Napoleon and Josephine, Desi and Lucy! The movies have made a mint on love stories, from the silents to streaming. And literature — including the comics — have told countless tales of opposites attracting, soul mates finding each other, Love/Hate relationships that defy the odds... and on and on.

So, this month, whether you're in love or on the market (or just can't be bothered with it all), join us for some choice love stories from some of comics' best and brightest. We think you'll love them! And for more *Love Stories*, be sure to look for the icon throughout this issue!

BLACKING OUT HC

(W) Chip Mosher

(A) Peter Krause & Various

A disgraced ex-cop, Conrad, seeks redemption by unraveling an unsolved murder during Southern California's fire season. Conrad follows a lone clue—a discarded crucifix—to unravel the death of Karen Littleton, whose body was found amid a blaze that scorched 10,000 acres. The search leads him to clash with the victim's father and prime suspect, Robert Littleton, as well as hostile former colleagues on the local police force. All the while, Conrad combats his consuming alcoholism and fading faculties. Will his "questionable" methods net him a murderer, or will the grizzled detective be brought to his knees by heartbreak and addiction?

THE HORROR HC

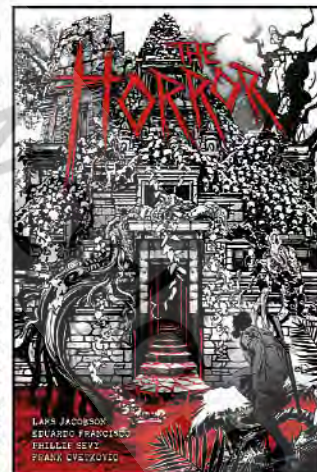

(W) Lars Jacobson

(A/CA) Eduardo Francisco

Travel with Kurtz and his family as they enter the "heart of darkness" on a humanitarian mission for Belgian King Leopold's Congo Free State, opening a trading post in the uncharted interior of the Congo jungle to promote free markets and end slavery. With the help of a local tribe, they establish the post, but to survive in this lawless jungle, they must contend with murderous slave traders from Zanzibar, corrupt Belgian officials, evil imperialists, psychotic explorers, and cannibalistic tribes. Along the way, however, they encounter a primordial evil whose origins and mythology date back to the womb of civilization, perverting minds and corrupting souls while preying on the worst instincts of mankind. The locals speak of this insidious evil in fearful whispers, calling it, "The Horror." *The Horror* provides a prequel to Joseph Conrad's "Heart of Darkness," exploring the origins of one of the most enigmatic characters in storytelling while examining one of the worst atrocities and humanitarian disasters ever recorded. TOP SECRET SERVICE TP

(W) Zack Keller (A/CA) Giovanna La Pietra

After achieving their lifelong goal of becoming U.S. Secret Service Agents, best friends Chris Lu and Blake Sansome are not assigned to protect the current president, but instead a retired ex-president enjoying the quiet life on his Montana ranch. The rookie agents hate their boring assignment far from the high-profile action they crave... until an elite hitsquad assaults the house. They soon learn that the kindly old ex-president was actually involved in a world-altering government conspiracy covering up alien contact. Now, people have come for the secrets only he knows... and the dangerous technology the aliens left behind. (STL298288) Item has been previously solicited in *New to Order*. (C: 0-1-2)

VAMPIRE HUNTER D OMNIBUS VOLUME 5 TP

(W) Hideyuki Kikuchi

(A/CA) Yoshitaka Amano

The hunt continues in the bizarre far future of 12,090 A.D., where the immortal vampire lords who were the only winners of mankind's nuclear war still oppress the human survivors who have pushed the blood-drinking fiends back to the lawless Frontier. Yet humanity too remains as quick as ever to prey upon itself, and where the law can't bring safety or justice, the crescent blade of D will—assuming you meet the half-vampire wanderer's price! *Twin-Shadowed Knight* is a story in two parts—most apt, as the D's investigation into a vampire's dying words leads to a sorcery that splits the Hunter himself into two beings...the second D, full of passion, hunger, and carnal desire!

Then, the three-part *Dark Road* brings triple the thrill, as D crosses over the southern border into the realm of General Gaskell. No ordinary vampire noble, this immortal warlord survived his supposed death under the sun to command the loyalty of a veritable army of the undead, who have been given their silent marching orders—eliminate D! The *Vampire Hunter D* Omnibus Book Five collects volumes 13, 14, and 15 in author Hideyuki Kikuchi's adventure horror series. Illustrated by *Final Fantasy* artist Yoshitaka Amano, the legend of D endures! (STL302449) (C: 0-1-2)

The legacy continues as legendary TMNT co-creator Kevin Eastman reassembles the acclaimed creative team for the next epic chapter of *The Last Ronin*!

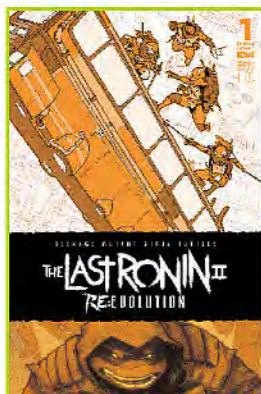

More than a decade after the Last Ronin defeated the Foot Clan, New York City finds itself in a state of steady decline. Now, the disparate gangs vie for economic and political control and that chaos is taking its toll. It's clear to Casey Marie that if something isn't done soon, the city she knows and loves will be lost forever. So, whether they're ready or not, she and her young pupils must raise a new coalition and lead the charge to keep the peace. Witness the rise of the next generation of Teenage Mutant Ninja Turtles as they fight to restore peace to the streets they live below!

Printed in the original oversized trim, perfect bound.

TEENAGE MUTANT NINJA TURTLES: SOURCEBOOK #1

Writer Patrick Ehlers Art Various Cover A Mateus Santolouco

100 Pages • \$7.99 • FEBRUARY 2024 • UPC 82771403266600111

IDW's *Teenage Mutant Ninja Turtles* comics synthesize and remix 40 years of Turtles lore and transform it into a single, sprawling epic! This sourcebook collects and catalogs every character, every location, and every notable event—and serves as a comprehensive companion to that epic—into four issues by writer Patrick Ehlers.

Issue #1 tracks the complete story of the friendship and rivalry of Oroku Saki and Hamato Yoshi, from friends to foes, from past to present, from astral plane to solid ground. Where the immortal Shredder builds an army of criminals, ninjas, and beasts, the resurrected Splinter and his Turtle sons grow their influence through family and fellowship. These are the humans and mutants caught up in this life span-defying war for control of the Foot Clan.

STAR TREK #17

Writer Collin Kelly & Jackson Lanzing Art Marcus To Cover A Marcus To

32 Pages • \$4.99 • FEBRUARY 2024 • UPC 82771403084601711

Galactic war is imminent in the penultimate issue of arc three of the Eisner-nominated *Star Trek* series.

With Federation, Romulan, and Cardassian forces all vying for leverage over the Tzenkethi war fleet, Captain Sisko is left with no choice but to request official assistance from Starfleet after he and his crew have fallen out of favor with the warmongering reptilian species. However, the proposed solution—and only option Starfleet is willing to approve—is questionable, with the potential of endangering not only the *Theseus* crew...but the galaxy at large.

Writer Christopher Cantwell Art Ángel Unzueta Cover A Ángel Unzueta

32 Pages • \$4.99 • FEBRUARY 2024 • UPC 82771403137901211

Original *Star Trek: Defiant* writer-artist duo Christopher Cantwell and Ángel Unzueta delve into the sci-fi horror genre in arc three of the fan-favorite series!

Eager to move past the unofficial bounty-hunting mission assigned to them by Starfleet, disgraced former ambassador and Starfleet legend Worf and his rogue crew make way for Starbase 99, a run-down remnant of the Dominion War, to complete their fugitive drop-off. The clandestine assignment has left them disillusioned with Starfleet and with one another, but a surprise awaits the *Defiant* crew, threatening to tear the crew apart even further—literally.

32 Pages • \$3.99 • FEBRUARY 2024 • UPC 82771403203100611

It's do-or-die for Picard and cadets in the finale of *Picard's Academy*!

Romulans storm the ship while Starfleet remains out of reach and potentially unaware of the threat headed their way, but the cadets have finally come to an agreement, electing Jean-Luc to the captain's chair. They're finally willing to follow Picard's lead, and Picard is finally willing to acknowledge their feedback—now acting as a proper crew. But is it too late? Will Picard fail his crewmates once again and, worse yet, see the start of an interstellar war? So much for graduating early!

SPOTLIGHT ON

FALL THROUGH GN

(W/A/CA) Nate Powell

At first glance, Diamond Mine seems to have emerged in 1979 as Arkansas's first punk band. Instead, this quartet is revealed to be interdimensional travelers from 1994, guided—largely against their will—by vocalist Diana's powerful spell embedded into their song "Fall Through." As Diamond Mine tours the country, each performance of the song triggers a fracturing of space-time perceptible only by the band members as they're transported to alternate worlds in which they've never existed, but their band's legend has. That is, until Jody, the band's bassist and the story's protagonist, finds herself disrupting Diana's sorcery, even at the cost of her own beloved work and legacy. While some band members perpetually seek the free space offered by the underground punk scene to escape from their mundane or traumatic lives, others work toward it as a means of expression, connection, and growth—even if that means eventually outgrowing Sisyphian patterns and inevitably outgrowing their beloved band-family altogether. THE NIGHT EATERS VOLUME 1: SHE EATS AT NIGHT PREVIEWS EXCLUSIVE SC

(W) Marjorie M. Liu (A/CA) Sana Takeda

2023 Eisner Award Winner for Best Graphic Album — New — and for Painter/Multimedia Artist (Interior art). Chinese American twins, Milly and Billy, are having a tough time. On top of the multiple failures in their personal and professional lives, they're struggling to keep their restaurant afloat. Luckily their parents, Ipo and Keon, are in town for their annual visit. Having immigrated from Hong Kong before the twins were born, Ipo and Keon have supported their children through thick and thin and are ready to lend a hand—but they're starting to wonder, has their support made Milly and Billy incapable of standing on their own? When Ipo forces them to help her clean up the house next door—a hellish and run-down ruin that was the scene of a grisly murder—the twins are in for a nasty surprise. A night of terror, gore, and supernatural mayhem reveals that there is much more to Ipo and her children than meets the eye. (STL301479) (C: 0-1-1)

MYTHOLOGY

LOVE ISN'T THE ONLY THING IN THE AIR THIS VALENTINE'S DAY! THE CLASSIC SLASHER HORROR MY BLOODY VALENTINE COMES TO COMICS!

MY BLOODY VALENTINE #1

The 1981 slasher classic comes to comics with brand-new bloody stories for the first time! Love isn't the only thing flowing, as the town of Valentine Bluffs invites you back for another bloody good time! It's the cult-classic slasher smash hit straight from the 1980's - My Bloody Valentine! Just when you thought it was safe to go back in the mines! Harry Warden turned Valentine's Day into one town's personal nightmare with a hand on his pick axe and a heart full of revenge. Now, the terror has returned, and the body count is rising! There's more than one way to lose your heart! Roses are Red - Don't End Up Dead - this February!

ON SALE: 2/28/24

As if the demon invasion led by the Demon-Lord Astaroth weren't bad enough, now everyday New Yorkers are getting possessed, due to the portal to hell ripped open by the Beaulieu's. Himmler meets with Germany's most famous clairvoyant, Maria Orsic, who delivers to Himmler telepathic, alien instructions on how to build wonder weapons and ... two dire warnings. The bizarre life of New York City newcomer Charlie Kramer becomes more clear as she meets the apparently harmless bookstore clerk Louise and the cryptic Ping. And Wolfram Sievers, head of the Ahnenerbe, a Nazi paranormal, archaeological branch of the S.S. unearths an ancient Teutonic scroll that can be used to bring forth a ... well ... we don't want to give too much away, so trust us. THE AMERICAN THEATRE AS SEEN BY HIRSCHFELD: 1928-1961 HC

(A) Al Hirschfeld

Al Hirschfeld has been synonymous with Broadway since his first theatre drawing appeared in 1926. For seventy-six years, his theatre work was as much a part of a Broadway show as its opening night. His drawings, seen most famously in the *New York Times*, where his drawings appeared on average every other week for seventy-five years. His art also appeared on posters, programs, books, and album covers. For many, Hirschfeld was Broadway. The two volumes of *The American Theatre as seen by Hirschfeld* showcases Hirschfeld's greatest theater art from nine decades covering *Show Boat* to *Hairspray*. When the first volume of *The American Theatre* was published in 1961, Hirschfeld designed and curated the book, featuring 250 works from the first four decades of his career. This new edition revises and updates the book with a stunning color section. The second volume covers the other forty years of Hirschfeld's career with nearly 300 drawings. Both books show and tell the story of nearly a century of the American Theatre, with a majority of the art not in any other book collection. (STL277815) (C: 1-1-0) NOTE: Available only in the United States, Canada, Europe, and the U.K. RES. from *PREVIEWS* Vol. XXXIII #6 (JUN231584)

BARKING GN

(W/A) Lucy Sullivan

Loopy... cuckoo... stark raving.... When the depression and grief Alix feels over the death of her friend overwhelm her, she's institutionalized. But inside a psychiatric ward, things don't get better for her. Now she has nowhere to get away from her rapidly-spiraling thoughts. As Alix navigates disinterested attendants, group therapy, and isolation, she must build herself a new equilibrium and tame the black dog of her depression. Inspired by her own struggles with mental health, Lucy Sullivan tells a powerful, emotional story about the problems that sometimes overwhelm us all—and the failures in the mental health system we depend on. The Resistance Universe returns in a new tale by J. Michael Straczynski! The next chapter in the saga of the Resistance Universe focuses on an unlikely love story. The mysterious "U" has no memory of his past before awakening with powers after the Great Death that took many lives and created the superpowered Reborns. His vision of the world is one that is more beautiful and full of hope than the rest of us can see. In searching for a purpose, a reason to live, he discovers Isabelle, whose father died in the plague, and who has recently been thrown out to live in the streets by her uncle. When the two meet, a spark is lit between them. But another spark is lit—one that's sure to lead to explosive consequences—when U runs afoul of a crime syndicate that will stop at nothing to get revenge.

FOX MAIDENS GN

(W/A/CA) Robin Ha

An epic new graphic novel fantasy—a queer, feminist reimagining of a legend from Korean mythology. Kai Song dreams of being a warrior. She wants to follow in the footsteps of her beloved father, the commander of the Royal Legion. But while her father believes in Kai and trains her in martial arts, their society isn't ready for a girl warrior. Still, Kai is determined. But she is plagued by rumors that she is the granddaughter of Gumiho, the infamous nine-tailed fox demon who was killed by her father years before. Everything comes crashing down the day Kai learns the deadly secret about her mother's past. Now she must come to terms with the truth about her identity and take her destiny into her own hands. As Kai desperately searches for a way to escape her fate, she comes to find compassion, and even love, in the most unexpected places. (STL300454) (C: 0-1-0)

THE GUNHAND #3(W) Marty Grosser, Matthew Plog
(CA) Matthew Plog

Having bid farewell to the gentle Amish settlers of Pennsylvania, Victor and Hudson P. Magpie find themselves in Carrow, Virginia. The small town, site of a forgotten Civil War battle, is deserted... the townsfolk nowhere to be found. The populace has taken to the hills for refuge, as the living dead have marched into their town on the fateful anniversary of the day, 20 years ago, that Confederate General Leonidas Baxter made a bargain with dark forces to win... and lost his soul and those of his soldiers. Now, Baxter and his doomed fighting force are back to win the war for the South... leaving Victor six bullets against six hundred in "The South Shall RISE Again!" The saga of *The GunHAND* continues from **PREVIEWS** Editor Marty Grosser and master illustrator Matthew Plog (*Kent Menace, Battletech Game Series*)! (STL301736) (C: 0-0-1) 32pgs, FC..... \$4.99

**BATTRON THE JETTATURA GN**

(W/A/CA) Wayne Vansant

From veteran comic writer/artist Wayne Vansant, the military tales of the French Legionnaire soldier Bat-tron continue! July, 1943. In preparation for the British-American invasion of Sicily, Bat-tron parachutes onto the island with a mixed group of Allied intelligence operators. Led by his old comrade Captain Watson-Cole (SOE), and a young Lt. Beck (OSS) who has family relations with the Italian population, and under-world connections stretching back to the New York Mafia. The team is on Sicily to report on German troop and supply movements to the frontlines. But by seeking the aid of the local underworld, they may have very well put themselves up for sale to the Germans. (STL301582) (C: 0-1-2) SC, 7x10, 104pgs, B&W..... \$14.99

**FRESHMAN YEAR GN**

(W/A) Sarah Mai

A stylish graphic novel about the unique angst, humor, and self-doubt universal to the experience of going away to college—from a promising debut talent—for fans of *Heartstopper*. Everyone gets a fresh start. Who do you want to be? Sarah is leaving suburban Wisconsin for her freshman year in Minnesota. She has high hopes for the future: impress her professors, meet interesting new people, stay close to her best friends and boyfriend back home, flourish as an artist, and shed her lingering high school anxieties. What seems manageable at first quickly unravels into a tailspin: Sarah's high-achieving roommate puts her to shame, her summer love dissolves, and she is quickly overwhelmed by the freedom, the isolation, and all the possibilities that await in this new environment. Based on the author's personal college journal and comics, *Freshman Year* navigates the inner workings of an 18-year-old girl in witty, honest, and heartfelt detail. VOLUME 6:
SILBERVOGEL GN**

(W) Yann (A/CA) Alain Henriët

Final volume of a great epic about war and friendship. Everything is in place. The radio guidance relays are active, the Silbervogel, the inter-continental bomber, is operational, and Anna is ready to fly it to America—a suicide mission. As for Werner, he seems incapable of fulfilling his mission and killing the beautiful test pilot, in whom he still sees his childhood friend. The arrival of Soviet forces, along with the courage of a handful of prisoners and partisans, will give them both one last chance to do the right thing. Can they seize it? TERRY AND THE PIRATES: THE MASTER COLLECTION 1941: RAVEN, EVERMORE

Writer/Artist: **Milton Caniff**

The saga continues in *Terry and the Pirates Volume 7*, reproduced from Milton Caniff's personal set of color syndicate tabloid proofs!

Embroiled in the guerilla struggle against the invader, Terry meets "Madame Lustre" (AKA Burma!) and matches wits German officers Kiel and Wolff. When Terry eventually reunites with Dude Hennick and Raven Sherman, the stage is set for one of the greatest stories in comics history, with Death waiting to strike unexpectedly. Terry's road leads back to Hong Kong for a major reunion and a welcome-home kiss from April, but the delightful Miss Kane has secret troubles in the form of small-time grifter Sammy the Tapper. Everyone's fortunes are poised to change as Christmas arrives and America charges headlong into World War III!

This tabloid-sized Volume 7 containing the 1941 dailies and Sundays is an unparalleled upgrade that no Terry fan can afford to pass up.

steps down months before graduation, the team is shocked. Waitlisted by her dream college, questioning her identity, and suffering from senioritis, Leah needs to hand the captain's poms off and focus on her future. But when the competition for captaincy goes awry, power-hungry twins take command of the squad and immediately pit the cheerleaders against the basketball team in a fight for glory. Balls fly, pom-poms shake, hearts are broken—and only one person can heal the rift between the teams. But first she'll have to heal herself. As full of heart as it is backflips and three-pointers, *King Cheer* is a warm and witty story of self-discovery, friendship, and finding the courage to face your future. FIREBUGS HC

(W/A/CA) Nino Bulling

Everything is changing—but everything is also exactly the same. After a trip to Paris, Ingken returns home ready for a break from drugs. Their supportive partner, Lily, is flushed, excited about a new connection she's made. Although Ingken wants to be happy for her, there's a discomfort they can't shake. Sleepless nights fill with an endless scroll of images and headlines about climate disaster. A vague dysphoria simmers under their skin; they are able to identify that like Lily, they are changing, but they're not sure exactly how. Everyone keeps telling them to burn themselves to the ground and build themselves back up but they worry about the kind of debris that fire might leave behind. (STL301464) (C: 0-1-2)

IMPENDING
MARRIAGE HC**

(W/A/CA) Adrian Tomine

At the behest of his soon-to-be wife, Adrian Tomine set out to create a wedding favor for their guests that would be funnier and more personal than the typical chocolate bars and picture frames. What started out as a simple illustrated card soon grew into a full-fledged comic book: a collection of short strips chronicling the often absurd process of getting married. A loose, cartoony departure from Tomine's previous work, *Scenes From An Impending Marriage* is a sweet-natured, laugh-out-loud skewering of the modern marriage process, including hiring a DJ, location scouting, trips to the salon, suit fittings, dance lessons, registering for gifts, and managing familial demands. **O/A AYA:
LOVE IN YOP CITY GN**

(W) Marguerite Abouet

(A/CA) Clement Oubrerie

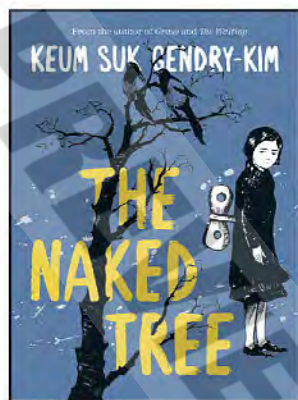

Aya: Love in Yop City comprises the final three chapters of the *Aya* story, episodes never before seen in English. *Aya* is a lighthearted story about life in the Ivory Coast during the 1970s, a particularly thriving and wealthy time in the country's history. This second volume of the complete *Aya* includes unique appendices—recipes, guides to understanding Ivorian slang, street sketches, and concluding remarks from Marguerite Abouet explaining history and social milieu. Inspired by Abouet's childhood, the series has received praise for offering relief from the disaster-struck focus of most stories set in Africa. (STL191469)

O/A THE NAKED TREE GN

(W/A/CA) Keum Suk Gendry-Kim

Critically acclaimed and award-winning cartoonist Keum Suk Gendry-Kim returns with a stunning addition to her body of graphic fiction. Adapted from Park Wan-suh's beloved novel, *The Naked Tree* paints a stark portrait of a single nation's fabric slowly torn to shreds by political upheaval. Fleshing out the characters in fresh, imaginative ways, and incorporating the original author into the story, Gendry-Kim breathes new life into this Korean classic. (STL274143)

**O/A TIME ZONE J SC**

(W/A/CA) Julie Doucet

Time Zone J is Julie Doucet's first inked comic since famously quitting in the nineties after an exhausting career in an industry that, at the time, made little room for women. Based on diary entries from the whirlwind romance, the passion and high emotions of youth-before you know the limits of love, before you know the difference between love and lust-seep through the pages. In contrast to the tryst, Doucet draws herself today, at fifty-five. (STL213899)

**O/A WALK ME TO THE CORNER**

(W/A) Anneli Furmark

A loving home and husband; two grown sons; a lakeside cabin; and the chance encounter with a woman at a party that destabilizes it all.

The moment Elise sees Dagmar, she's entranced. What begins as eye contact transitions to harmless texting, and quickly swells into the type of lust and yearning Elise did not know her life was lacking. Both happily married, there's trepidation, but they can't resist. The two arrange to meet, changing the course of Elise's stable life forever. (STL213896) (C: 1-0-0)

**ALPENGLÜHN SC**

(W/A) Stefan Soell

The term *alpenglow* refers to the purple light that can often be seen on the tops of mountains, a spectacularly beautiful natural phenomenon. But in this magnificent volume of photographs, it's not only the Alps that are glowing in warm translucent light, but the girls also. Is this for real? It seems these strikingly pretty creatures have climbed up steep hills and hiked through meadows only to cast off their Dirndls with enthusiastic aplomb. Stefan Söll has discovered the natural beauty of alpine flora and fauna, and uses the mountains where Germany, Austria and Switzerland meet as his setting. His studio in Friedrichshafen on the Bodensee is in the perfect location from which to start these photographic excursions. (STL300624) (C: 0-1-1)

(A) Stefan Soell, Isabella Catalina

"Twenty years of Fine Art Nude Photography, 13 of my most beautiful models, 288 pages bulging with hand-chosen, previously unpublished photographs; this anniversary collection pays homage to my favourite models, presenting unique and extensive portfolios of each and every girl. I must confess it also includes some rather cheeky angles and views, but then a top favorite model has, and is, much more than just a beautiful, sexy body. See for yourself how each of these girls has their own inimitable charm and character. I also want the reader's eyes to glow with delight, so why not join me on this special magical mystery tour of the erotic kind?"—Stefan Soell (STL300641) (C: 0-1-1)

Katya Clover loves being naked, and enjoys dancing and traveling so she can show off her wonderful body. Much to our delight, she is generous with her time, giving us many intimate and arresting insights into her feminine beauty without a hint of shyness. She does this at home and on the road, but mainly in front of the camera, as this new volume of photographs well attests. The collection was put together by Stefan Soell, well-known for his erotic but natural style of photography. The book even includes a recipe for delicious apple pie, well-presented by a naked Katya Clover, who shows us what to do step by step, right up until you put it in the oven! (STL300634) (C: 0-1-1)

WALDLUST SC

(W/A) Stefan Soell

As a highly regarded photographer of the erotic, Stefan Soell has published a range of successful titles in the course of his career: *Volcanic Girls*, *Alpenglüh* and *UrbanGirls*. Why is the cover of "Waldlust" so green, you may ask? It's designed to act as a contrast to his wonderfully natural-looking models; their skin and hair color. *Waldlust* refreshingly and unselfconsciously portrays powerful eroticism both in the woods and on the mountains. As the sexy forest ladies and alpine maidens boldly and provocatively pose for the camera, still largely unknown, mountain boys watching nearby have to rise, leaving their milking stools behind them. THE FRIGHTFEST GUIDE TO MAD DOCTOR MOVIES SC

(W) Doctor John Llewellyn Probert, Tom Six

Mad medics... sinister surgeons... psychopathic psychiatrists. We put our trust in them. They say they want to help, to cure, to relieve pain and soothe suffering. They claim those experiments they've been performing are for the greater good of mankind. But what if they actually want the opposite? What happens when doctors are dead set on researching the strange, the bizarre, the weird? What happens when all that scientific and medical knowledge only results in the creation of unimaginable horror? Ever since the dawn of cinema, filmmakers have been depicting on screen the potential outcomes of medical madness and science gone sick. John Llewellyn Probert takes a detailed look at the history of one of the most enduring archetypes in cinema, with an introductory overview of the genre followed by reviews of over 200 key mad doctor movies. In addition to critical appraisal, the author's own medical background allows him to provide a unique insight into just how well the filmmakers have done their homework. (STL300644) (C: 0-1-0)

NAKED THEATER & UNCENSORED HORROR: A MEMOIR SC

(W) Stuart Gordon

In this engaging candid memoir, horror legend Stuart Gordon gives a vivid account of his remarkable journey, from a student manning the barricades during the civil unrest of the 1960s, via an infamous stint as an experimental theater maverick, to ultimately becoming an iconic figure in cult cinema. While he'd started his professional career as a theater director, Gordon's first love was cinema, and in 1985 he shocked the world with his wickedly witty debut feature *Re-Animator*. The film established Gordon as the pre-eminent cinematic interpreter of legendary horror author H.P. Lovecraft, a writer many had previously regarded as largely unfilmable. In these pages, Gordon recalls a wealth of anecdotes, revealing what it was like to direct acclaimed actors such as Anthony Perkins, Dennis Hopper, Oliver Reed, Edward J. Olmos, Lance Henriksen and William H. Macy. Stuart Gordon's memoir is authentically funny, disarmingly honest, and unexpectedly touching, a compelling glimpse into the life of a director happiest in Hollywood's hinterlands, pushing the limits of what the mainstream would accept. WHEN YOUR DIFFERENCES ARE YOUR STRENGTH... **I RUN TO MAKE MY HEART BEAT TP**

(W) **RACHEL KHAN**
(A) **AUDE MASSOT**

Nina was born in a multi-cultural and multi-ethnic family. A mixed young woman with many questions about herself and her space in the world. Track and field competition will help her overcome her doubts. She runs, not to escape reality, but to be the champion of her own life!

It's the mid-1990s. Nina is 18. She's trying to find her place in a world constantly throwing her differences back at her face. Her father is black Muslim of Gambian origins, and her mother is of Polish-Jewish descent. But Nina will turn her differences into strength as she embraces track and field. She runs to escape injustice, history, the big and small things in her life.

This beautiful and inspirational graphic novel takes us through the various stages of adult life, including first loves, mourning, physical violence, self-acceptance, self-transcendence. We witness Rachel Khan's character (and quasi alter-ego) rise as a woman and a great athlete. Aude Massot sincerely and compassionately illustrates this touching story.

SEARCH AND DESTROY VOL. 1

By Atsushi Kaneko and Osamu Tezuka

\$14.99 / SC / 224 pgs /
BW / 5.0625" x 7.1875"

From Atsushi Kaneko (*Bambi and Her Pink Gun*) comes a reimagining of Eisner Award-winning *Dororo*, by "God of Manga" Osamu Tezuka (*Buddha*, *Astro Boy*). This is a tale of rage against hypocrisy, injustice, exploitation, and the wrongs done to a child who grew into a righteous killer. Complete in three volumes, *Search and Destroy* transplants *Dororo* from feudal Japan into a dystopian future where mercenary robots known as "creatures" serve the elite and victimize the city's masses. *Search and Destroy* is not only a brilliantly crafted thriller but also one of the most distinctive works of graphic storytelling in any genre or language.

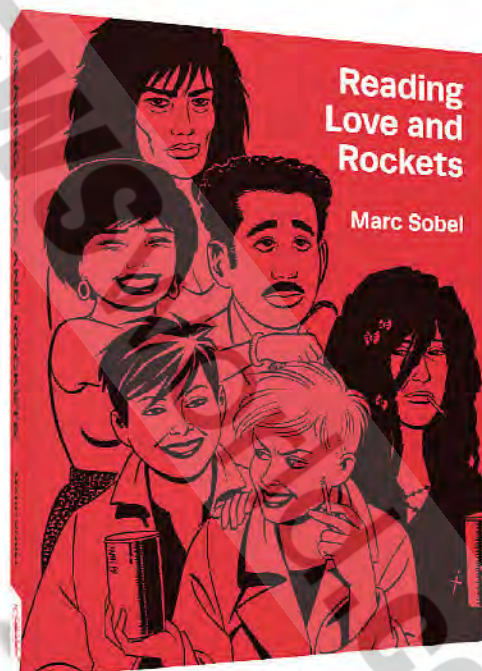

READING LOVE AND ROCKETS

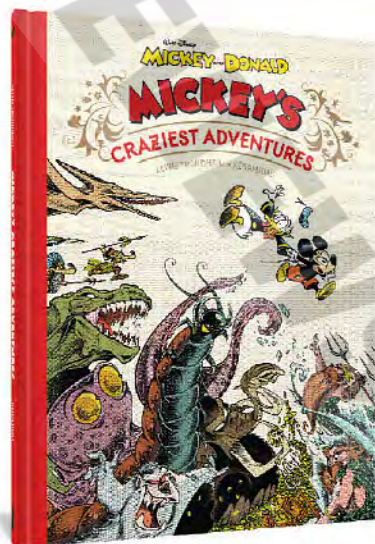

By Mark Sobel

\$49.99 / SC / 320 pgs / FC / 8.5" x 11"

With *Reading Love and Rockets*, Marc Sobel offers an invaluable resource to both new readers and fans who want to deepen their understanding of the series. *Reading Love and Rockets* hones in on the first 50 issues, tracking the evolution of the characters and storylines, as well as the Hernandez Brothers' growth as artists and writers. Breaking down each issue, Sobel blends together his own sharp-eyed observations with analysis from a variety of scholars, critics, and fans to provide a well-rounded perspective on the series.

Luxuriously illustrated throughout with scenes from the comic.

WALT DISNEY'S MICKEY AND DONALD: MICKEY'S CRAZIEST ADVENTURES

By Lewis Trondheim and Nicolas Kéramidas

\$22.99 / HC / 48 pgs / FC / 9.5" x 12.6"

When Peg Leg Pete and the Beagle Boys steal Scrooge McDuck's Money Bin, Mickey and Donald travel across lost cities, ancient lands, under the sea, in the air, and into space to track them down. In a hilarious satire, *Mickey's Craziest Adventures* presents as if it were a rare 1965 Disney classic. But in fact, modern comics masters Lewis Trondheim and Nicolas Kéramidas have created an exciting all-new thriller, drawn in a kinetic style and presented like a vintage work, hiding the fact that it's actually shamelessly spoofing Silver Age comics clichés!

Disney's Gummi Bears lead a classic *Disney Afternoon* comics collection which also includes *Darkwing Duck*, *DuckTales* and more! In "A New Beginning," find out how the Gummi Bears first forged an alliance with humans to defend the land of Dunwyn from Duke Igthorn! In "The Legend of Silverhorn," Chip 'n Dale and the Rescue Rangers follow a shipwrecked sailor into a world of high-seas piracy. Then, in *DuckTales*' "The Arcadian Um," Scrooge McDuck and the gang find a lost world of ancient Greeks... and Donald Duck and Launchpad face off with a city-stomping kaiju!

BLESSED BE

By Rick Altergott

\$24.99 / HC / 152 pgs / FC / 8" x 10.75"

Small-town weirdness scales new comedic heights in Altergott's long-awaited graphic novel. When Tom "The Acid King" Cottonwood is sentenced to prison, he vows revenge on all of Flowertown, U.S.A. *Blessed Be* reads like an R-rated *Mad* magazine parody of *Our Town* written by John Waters and drawn by Mort Drucker and Wally Wood. Altergott both skewers and celebrates '70s men's magazines and small-town conservatism. A cult favorite since the 1990s amongst intellectuals and philistines alike for his impeccably crafted brand of lowbrow humor, cartoonist Rick Altergott has never crafted a full-length graphic novel — until now.

ANNA

By Mia Oberlander

\$24.99 / SC / 220 pgs / FC / 6.3" x 9.5"

This debut graphic novel is a feminist allegory of resistance and radical acceptance by a rising star of the German comics scene. Living in a small German village, the Annas are cursed to stand out. Long-limbed and gangly, their bodies refuse to conform with societal norms of femininity. And yet, there may be a blessing to their being different. Drawn with delightful inventiveness, *Anna* is a tongue-in-cheek, modern-day fairy tale about being "too big" for a narrow-minded world.

RETURN TO EDEN

By Paco Roca

\$29.99 / HC / 176 pgs / FC / 9.5" x 6.75"

Celebrated Spanish cartoonist Paco Roca's most ambitious work yet is a touching homage to his mother and a bittersweet depiction of life in post-war Spain. Roca is known the world over for his quietly powerful graphic novels, from *Twists of Fate* to *The House*, and this latest masterwork may just be his magnum opus. In *Return to Eden*, Roca manages to charge quotidian life with rare poignancy, in all its daily struggles and daydreams, and readers will come away deeply affected.

TONGUES 6

By Anders Nilsen

\$18.00 / Comic book / 53 pgs, plus insert / FC / 9" x 12.25"

Tongues 6 follows Astrid's journey deeper underground with Gyges and the Chicken where she encounters one familiar face and some new powers, and is utterly changed. Rodney I.O. tracks his Hunnee to the site of its demise, and we travel back a couple of days to meet a couple of prospective Rings recruit before their own stories are altered. Issue 6 drops the curtain on the first half of the *Tongues* story.

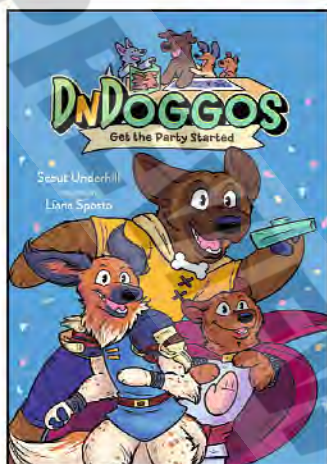

THE N-WORD OF GOD

By Mark Doxx

\$29.99 / HC / 344 pgs / FC / 6.75" x 8.75"

Artist Mark Doxx's interconnected illustrated stories of social insight and wry humor transport the reader back to the beginning of the universe when God fatefully declared Light and Darkness as opposing forces. Doxx then follows this theme through a religious and societal retelling of his own gospel-like myth. With satirical wit and stunning illuminated manuscript-like illustrations, Doxx has created a meta modern masterpiece of African American storytelling.

DnDOGGOS VOLUME 1: GET THE PARTY STARTED GN

(W) Scout Underhill
(A) Liana Spoto

Four adorable dogs have picked their characters and favorite dice and are ready to save the day! Magnus is tail-waggingly excited to share his favorite role-playing game with his friends! They've picked their characters and favorite dice, and are ready to set off on the adventure Magnus has created for them. Pickles, a rough-and-tumble fighter; Tonka, a playful and fun-loving bard; and Zoey, a wise and caring cleric, are given a quest to fetch a magical dog collar from a nearby swamp. But when they triumphantly return, they soon find that the collar isn't the only thing that has gone missing from Tail's Bend. All the

squeaky toys in town have disappeared and Squish, the mayor's young son, has set off on his own to find them. It's up to the Doggos to rescue Squish, track down the missing toys, and save the day! (STL300371) (C: 1-I-0) **NOTE:** Not available in UK. (May purchase from UK vendor.)

BUNT!: STRIKING OUT ON FINANCIAL AID GN

(W) NGOZI Ukazu (A) Mad Rupert

Molly Bauer loves her hometown of Peachtree, North Carolina. And her favorite part about her town is the prestigious art school, Peachtree Institute of Collegiate Arts. On the first day of attending this school of her dreams, the spunky freshman—buoyed on the native Peachtreeian Full Ride Scholarship—discovers her scholarship... is defunct. Rather than take out loans her parents can't afford, she uncovers a lesser-known scholarship in the PICA financial-aid policy book. If she and a dozen other art students can win a single game at the varsity level, they'll all be retroactively qualified for a PICA athletic scholarship. It's a softball scheme for the ages. CALL ME IGGY GN

(W) Jorge Aguirre (A) Rafael Rosado
Ignacio Garcia—or Iggy as he urges you to call him—is an Ohio-born Colombian American teen who's got a pretty easygoing life... for now. After bumping into Marisol (and her coffee) at school, Iggy's world is spun around. But Marisol has too much going on to be bothered with the likes of Iggy. She has school, work, family, and the uphill battle of getting her legal papers. As Iggy stresses over how to get Marisol to like him, his grandfather comes to the rescue. The thing is, not only is his abuelito dead but he also gives terrible love advice. The worst. And so, with his ghost abuelito's meddling, Iggy's life begins to unravel as he sets off on a journey of self-discovery. (STL300365) (C: 0-I-1)

(W/A) Mike Cavallaro

Eowulf Wegmund just had the most amazing summer ever! She traveled to a magical supply shop at the crossroads of all realities, rescued unicorn soldiers from a pocket dimension, and fought an evil god with the help of her friend Nico Bravo. Pretty rad, even for a descendant of the legendary monster hunter Beowulf! Now she finds herself back home in her boring New Jersey suburb, where the only monsters are the ones in her D&D game, unless you count her classmate Amadeus Hornburg—the kid everyone loves to hate. But when a mysterious supervillain returns to wreak havoc, Eowulf and Amadeus must join forces. To save her town, Eowulf has to live up to her legacy and become the greatest monster hunter of all! A FIREHOSE OF FALSEHOOD: THE STORY OF DISINFORMATION GN

(W) Teri Kanefield (A) Pat Dorian

As America grapples with the Big Lie and the future of democracy hangs in the balance, *A Firehose of Falsehood* takes us through history to showcase how dictators and kings have used different methods of disinformation to disenfranchise the public and consolidate power. Using examples from as far back as 522 BCE, Teri Kanefield and Pat Dorian lushly illustrate how tenuous humanity's relationship with the truth has always been—and then show us how we can beat back the lies. The 53rd edition of the Guide celebrates the 60th anniversaries of *The Avengers* and the storied Justice League of America/Justice Society of America crossovers. It also includes a look at the influential advertising comics of the pioneering R.F. Outcault, creator of *The Yellow Kid* and *Buster Brown*, and a spotlight on Frank Frazetta's *Death Dealer*. The Bible of serious comic book collectors, dealers, and historians since it was first published in 1970, *The Overstreet Comic Book Price Guide* is released each July by Gemstone Publishing. Compiled by founder Robert M. Overstreet with contributions from an extensive roster of Overstreet Advisors, the Guide offers insight into the complex and exciting comic book market. Iron Man, Thor, Giant Man, and The Wasp square off against Namor the Sub-Mariner and the Incredible Hulk as celebrated artist Kevin Nowlan offers an imaginative new take on Jack Kirby's classic image from *The Avengers* #3 for one cover of *The Overstreet Comic Book Price Guide* #53. The other cover this year features Dan Lawlis' take on Frank Frazetta's *Death Dealer*: with his horned helmet and obscured facial features, the axe-carrying, armor-clad warrior sits atop a horse and permanently looks ready for battle, evoking whole stories from a single image. MAUI: BEYOND THE HEADLINES

We usually take this space to talk about the marketplace, creators you should know, or record-breaking comic sales. This time, though, something a bit more serious.

I don't need to tell you that the 24-hour news cycle jumps on disasters and rides them until the next calamity comes along. What they don't do a particularly good job with, though, is follow-up. What about the people left on the ground after the news crews have moved on to the next tragedy, the next natural disaster, or the next war?

Just a few months ago, the horrible fires in Maui devastated that beautiful island in ways that are hard to imagine if you haven't seen it. World events, though, have pushed the stories of those lost and the survivors from the headlines... but there are many people there still in need.

Mort Todd and our friends at #1Comics (a new publisher spinning out of Mort's Neo Charlton line) were getting ready to launch their new company in the months ahead, but they've moved up their schedule to launch with *Maui Mighty Comics* #1, a fundraiser for which all of the proceeds will go to the victims of this disaster.

Thanks to Diamond Comic Distributors, our great printer, Solisco, and three key advertisers, we're honored to help #1Comics pass along 100% of the proceeds to Direct Relief, which in turn will see that the same amount reaches the target (even their administrative costs are underwritten). Every copy you purchase will truly help.

Maui Mighty Comics #1 has a great line-up in its 64 pages, starting with two Mr. Mixit stories from former *Daredevil*, *Captain America*, and *Next Man* scribe Roger McKenzie and artist Steven Butler. In between those two stories Rene King Thompson and Sandy Carruthers debut Ms. Molecule, McKenzie and Ben Torres revive

Charlton's Kung Fu star Yang, and the issue also includes a beautifully remastered Captain Mercury story by Joe Gill and Rocke Mastroserio.

You'll find it listed as a Featured Item on Page 312.

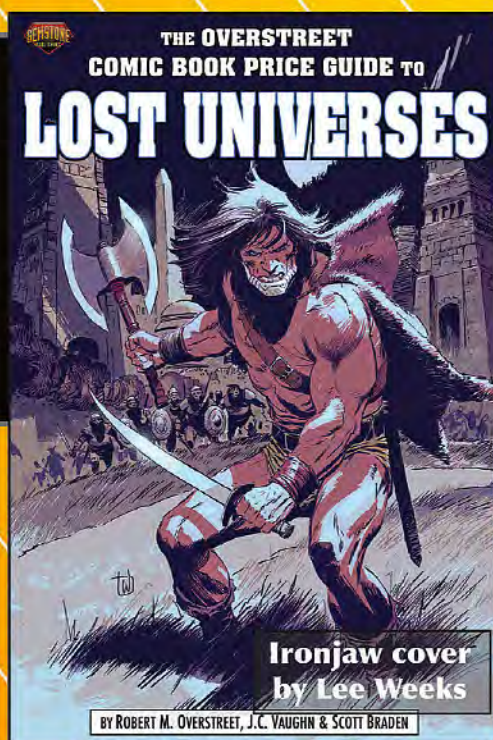

The publishers and creators in our industry have often responded to crises with their best work, and this time is no different. And you can help them make a difference for those hit hardest by the Maui fires.

IRANIAN LOVE STORIES GN

(W) Jane Deuxard (A) Deloupy
In a series of vignettes based on clandestine interviews, this award-winning graphic novel explores the politics and love lives of ten young Iranian men and women from diverse backgrounds. The result is an honest portrait of Iranian youth today and a rare glimpse into a society where the sexes are strictly segregated; and Western journalists aren't welcome. Through testimonies from across the country, we learn about traditional marriages, the pressures of living under the regime, and how young people escape the police and defy tradition to live their love stories. MARRY ME A LITTLE: A GRAPHIC MEMOIR GN

(W/A) Robert Kirby
Marriage doesn't define a relationship. Unless you want it to. In *Marry Me a Little*, Rob Kirby recounts his experience of marrying his longtime partner, John, just after gay marriage was legalized in Minnesota in 2013, and two years before the Supreme Court decision in *Obergefell v. Hodges* made gay marriage the law of the land. This is a personal story—about Rob's ambivalence (if not antipathy) toward the institution of marriage, his loving relationship with John, and the life that they share together—set against the historical and political backdrop of shifting attitudes toward gay rights and the institution of marriage. With humor and candor, Rob relates how he and John navigated this changing landscape, how they planned and celebrated their wedding, and how they and others in the gay community are now facing the very real possibility of setbacks to marriage equality. Sunny is starting to

understand the ins and outs of middle school... but she still feels more out than in. It's about classes or homework, really. No, it's the fact that most kids have a thing they do outside of class. Like football or track or cheerleading. Sunny isn't quarterback material, and her cheer attempts are... not the best. So what can she do? When Sunny's friend Arun says he wants to start a debate club, she's not really sure what he means. Isn't debate just... arguing? Sunny's never had a problem with arguing. Arun and the advisor show her there's more to it than that—there's also teamwork, and research, and being able to speak up in front of judges.

Some of the debates are fun ones—which is the best candy? Is peanut butter a force for evil or a force for good? But when the debate club starts to be a success, Sunny realizes she won't just be able to talk her way into winning... she'll have to make her case! (STL300526) (C: 0-1-0)

Corruption, greed, and runaway technology have come to a breaking point in the not-too-distant future. When a seemingly random murder in the area known as "Techslum" turns out to be much more than it appears—the corpse is discovered to be "enhanced" with illegal biotech—an even deeper mystery evolves. Investigating FBI agent Vera Morales pulls at the threads, uncovering the victim's connection to a reclusive techno-cultist, and becomes embroiled in a conspiracy that could very well change the course of human evolution. With all clues point to a leading weapons developer, can Vera find him and solve the mystery before humanity as we know it passes the point of no return? (STL300877) 24pgs, FC (1 of 4)\$5.99

LACKADAISY VOLUME 1 GN

(W/A/CA) Tracy J. Butler

It's 1927 and Prohibition is in full effect in St. Louis. Organized crime has risen to meet the relentless demand for illicit alcohol. Bootleggers, gangsters, and might-makes-right rule dominate the city's underworld, fueled by the patrons of speakeasies—

speakeasies like Lackadaisy. Hidden under the unassuming Little Daisy Cafe and run by the widowed and strong-willed Mitzi May, Lackadaisy holds its own in a rough-and-ready world, where you're either holding the gun or taking the bullet. But will tenacity, class, and a little bit of crazy be enough to ensure the survival of Mitzi and her gang? A keepsake collected edition of the cult classic, Eisner Award-nominated webcomic! ART CLUB GN

(W/A) Rashad Doucet

Drawn from the author's own childhood, this contemporary graphic novel paints a picture of an aspiring young artist on a mission to prove that the arts are worth fighting for. Dale Donovan has heard the same lecture over and over again: Art will get you nowhere in life. A kid with a creative streak, Dale wants nothing more than to doodle, play video games, and create comics forever—maybe even as a full-time job one day. But between his grandfather pushing him to focus on his studies and a school with zero interest in funding arts programs, Dale feels like his future has already been decided for him. That is, until he comes up with the perfect plan: What if he starts an after-school art club, gathers a team of creative students like himself, and proves all the

naysayers—his stubborn vice principal in particular—wrong? This might just work, but if the club isn't financially successful by the end of the semester, the school with shut them down. This may be Dale's only chance to show the adults in his life that a career as an artist is not just a dream but a possibility! (STL300458) (C: 0-1-0)

WAR CAN SINK INTO YOUR SKIN

AN INTERVIEW WITH SAM FREEMAN & SAM ROMESBURG

Let's delve into the new original graphic novel *Hound*! First off, what's the story behind this horror story?

Romesburg: We set out to create something unnerving: a war story but from a less explored perspective. A war with more fronts than just those that exist between the trenches. Additionally, we are huge fans of the "found footage" genre and wanted to explore how that could be conveyed through printed media. Instead of a found VHS tape, we wanted to tell a story about a found war journal.

Who is Private Barrow, the everyman of this tale?

Freeman: He's a young man thrust into World War I, and when we meet him, he has yet to kill anyone. Though he is quiet and keeps to himself, Barrow keeps a journal that details how horrified he is by this new world he is witnessing...and that's before he fights an animalistic cult inside his own ranks!

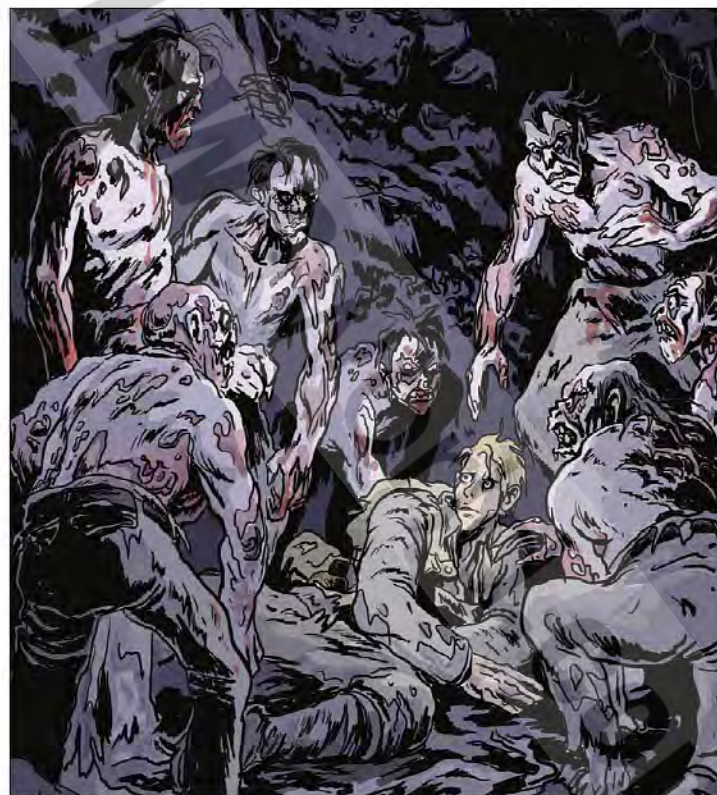

How did you so brilliantly capture the perspective of this conflicted soldier?

Romesburg: I'm an army veteran, and while I do see that a lot of what the army gave to me was positive, I left with a lot of mixed emotions about my role and what I signed up for versus what I learned that I was. Finding your people within those circumstances is difficult. Trying to keep true to your own moral compass. Being broken

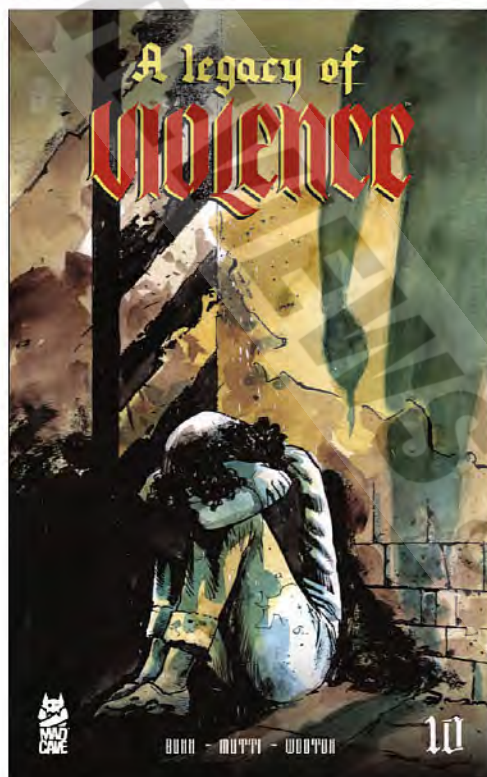

down and rebuilt as something different. Navigating and holding onto who you were before you signed up. *Hound* is an exploration of those feelings.

What do you anticipate readers will experience as they flip each spine-tingling page?

Freeman: Hopefully, readers will feel what Barrow feels: fear, sadness, hopelessness...but more powerfully, a call to action to protect something in a world that is burning.

The 21st century sucks hard, but it's made somewhat tolerable by the latest and greatest media innovations. Enter the Dreamwave: the first gaming console played entirely while you sleep. It's also the one point of solace for four friends known as the "Cemetery Kids," who spend their nights roaming the open world of the most immersive and brutal horror game ever created "Nightmare Cemetery." Together they seek to dethrone an enigmatic humanoid monster known only as the "King of Sleep."

But when one of them doesn't wake up and instead finds their consciousness locked inside the game, the three remaining Cemetery Kids must navigate a forbidden landscape to rescue their friend—and pray that the secret lurking at its center doesn't follow them home.

Welcome to the Happy Shop! Eleven-year-old Darcy just moved to a new country. She's feeling lost and misses her friends back home. That's when she stumbles upon a shop full of mysterious glowing jars labeled with things like "Picking up the last sweater on the rack and it's on sale" and "Having the perfect weather on your wedding day." Much to Darcy's surprise—this store sells happy feelings.

After Darcy accidentally breaks one of the irreplaceable jars, she must make it up to the shopkeepers, Frida and Flora, by doing chores around the store, and is soon tasked with collecting happy feelings. But she learns that the magical business is anything but magical. With fewer customers than ever, Frida and Flora might have to close their doors. Can Darcy think of an idea to save the Happy Shop? What if they sold more than just happy feelings?

I'M SO GLAD WE HAD THIS TIME TOGETHER HC

(W/A) Maurice Vellekoop

Meet little Maurice Vellekoop, the youngest of four children raised by Dutch immigrants in the 1970s in a blue-collar suburb of Toronto. Despite their working-class milieu, the Vellekoops are devoted to art, music, and film, and they instill a deep reverence for the arts in young Maurice—except for literature. He'd much rather watch Cher and Carol Burnett on TV than read a book. He also loves playing with his girlfriends' Barbie dolls and helping his Mum in her hair salon, which she runs out of the basement of their house. In short, he is really, really gay. Which is a huge problem, because the family is part of the Christian Reformed Church, a strict Calvinist sect. Needless to say, the church is intolerant of homosexuality. Though she loves her son deeply, Maurice's mother, Ann, cannot accept him, setting the course for a long estrangement. Vellekoop struggles through all of this until he graduates from high school and is accepted into the Ontario College of Art in the early 1980s. Here he finds a welcoming community of bohemians, including a brilliant, flamboyantly gay professor who encourages him to come out. But just as he's dipping his toes into the waters of gay sex and love, a series of romantic disasters, followed by a violent attack, sets him back severely. And then the shadow of the AIDS era descends. *I'm So Glad We Had This Time Together* is an enthralling portrait of what it means to be true to yourself, to learn to forgive, and to be an artist. ASTERIX OMNIBUS VOLUME 11 SC

(W) Rene Goscinny (A) Albert Uderzo

Three newly-translated classic Asterix stories in one volume! First, in "Asterix and the Actress," Asterix and Obelix celebrate their birthday as Caesar makes his move against his political rival Pompey, the festivities and fisticuffs are sure to be entertaining! Then in "Asterix and the Class Act," 14 short stories including the day Asterix and Obelix were born (in the middle of a village fish fight), How Obelix goes back to school, Fashion in Ancient Gaul, How Dogmatix helps the village cockerel win a duel, and how he is adopted as a Roman mascot, and the story of the creation of Asterix. Then, the Gauls have only one fear: that the sky may fall on their head. It looks as if their time's come at last for Asterix, Obelix and the other villagers. But some surprising new characters fall along with the sky. Our friends soon find themselves in the middle of a space race. PENTHOUSE COMICS #1

(W) Jean-David Morvan & Various (A) Guillem March & Various (CA) Matteo Scalera, Elia Bonetti

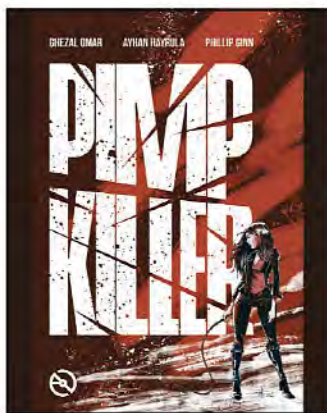

Releasing 30 years after the original line debuted, Penthouse is proud to present the ongoing return of *Penthouse Comics*! Featuring a wealth of talent from all across the industry telling stories in the action, thriller, and horror genres, issue #1 debuts four new ongoing tales. *Gun Crazy* debuts the wild ride of Dolly Sanchez and Lanoya O'Brien, two girls fighting for survival in this violent story in the crossroads of Tarantino, VHS stuff, and the 80's. Guillem March draws Jean Dufaux's *The Dream*, a tale about Megan, a Hollywood casting director who attempts to bring out the potential actor hidden deep inside a stripper in the San Francisco suburbs. *I Spit On Your Grave* is an adaptation of Vernon Sullivan's famous novel about Lee Anderson, whose only goal is to avenge the death of his brother. Along the way he'll fall into a life of debauchery and sex. *Miss October* follows a young and high-flying female who desperately must find the killer whose murdering women, one-by-one and dubbing them by each month of the year, before she's next! As always, *Penthouse Comics* features a bonus photoshoot and editorial! (STL301101)

LOST FEDERATIONS: THE UNOFFICIAL UNMADE HISTORY OF STAR TREK SC

(W) A J Black

We think we know the history of *Star Trek*. Born at the height of 1960s popular culture, the five-year mission of Captain James T. Kirk and his crew faced early cancellation, bounced back with a series of beloved movies in the 1980s and gave way to a fleet of successful sequels and spin-offs that kept on exploring strange new worlds. In *Lost Federations: The Unofficial Unmade History of Star Trek*, A. J. Black tells a different story. This is an alternate history of the franchise, one filled with roads not taken, from early 1960s feature-films and spin-offs, the original sequel *Star Trek: Phase II* in the 1970s, via epic planned movies such as *Planet of the Titans* and into many untold episodes, arcs and character stories from *The Next Generation*, *Deep Space Nine*, and *Voyager*, all the way through to the modern era. SUPERBOOK: THE WORLD OF SUPERHERO MOVIES ACCORDING TO SMERSH POD SC

(W) John Rain

If you mention the word "super-hero" these days, everyone and their mum can tell you a potted history of it all, because they've sat through numerous phases, extended TV series, and animated side-specials of expansive character-development, culminating in extraordinary final chapters, with the screen literally stacked full of characters battling one another while your eyes bleed with excitement and spectacle. But before 1997, people would generally only think of a few things: Christopher Reeve, Michael Keaton, Nicholas Hammond's Spider-Man, Bill Bixby trying not to get angry, Dolph Lundgren mumbling in broken English, and how Michael Crawford dressed like a bird was the closest thing Disney

had to a cinematic universe. By 1997 there could be no doubt that the genre was dead. Out was the sheen of verisimilitude, and in were Bat-credit-cards, ugly CGI, slashed budgets, rubber nipples and Martin Sheen in a girdle. So, whatever happened to the heroes? Join John Rain as he walks through every film of note from 1978 to 1997, and examines just what went wrong, and how. (STL300879) (C: 0-1-1)

TIMELESS ADVENTURES: THE UNOFFICIAL STORY OF HOW DOCTOR WHO CONQUERED TELEVISION SC

(W) Brian J. Robb

This critical history of *Doctor Who* covers the series 60 years, from the creation of the show to its triumph as Britain's number one TV drama. Opening with an in-depth account of the creation of the series within the BBC of the early 1960s, each decade of the show is tackled through a unique political and pop cultural historical viewpoint. *Timeless Adventures* reveals how *Doctor Who* is at its strongest when it reflects the political and cultural concerns of a mass British audience (the 1960s, 1970s and 21st Century), and at its weakest when catering to a narrow fan-based audience (as in the 1980s). The book also addresses the cancellation of the show in the late 1980s (following the series becoming increasingly self-obsessed) and the ways in which a narrowly-focused dedicated fandom contributed to the show's demise and yet was also instrumental in its regeneration for the 21st-century. PRE CODE CLASSICS: GHOST RIDER SOFTEE VOLUME 2 SC

(W) Ray Krank, Dick Ayers

(A) Dick Ayers, Frank Frazetta

(CA) Dick Ayers

Created by Dick Ayers and Ray Krank, Rex Fury was originally known as the Calico Kid, who together with his white horse Spectre became the Ghost Rider! Wearing a white outfit covered with phosphorus and using a cape that had phosphorescent on one side and black on the other, he could cover parts of his body to give the illusion that he was merely a floating head or pair of hands. To further the illusion, he wielded a black lariat and black bullwhip - even Spectre glowed in the dark! The Ghost Rider battled many foes, who like him, were not truly supernatural at all, such as an imposter of Frankenstein's Monster and the Happy, werewolves and vampires! **NEMESIS THE WARLOCK
DEFINITIVE EDITION VOLUME 1
DIAMOND EXCLUSIVE EDITION HC**

(W) Pat Mills (A/CA) Kevin O'Neill

The Diamond exclusive hardback of the crown-jewel epic from the pages of *2000 AD*. At long last *Nemesis the Warlock* is back in print and better than ever in a brand-new series of *Definitive* editions. Written by Pat Mills (*Marshal Law*) and drawn by Kevin O'Neill (*League of Extraordinary Gentlemen*), this definitive series is a comprehensive collection of the complete storyline in order, and features development sketches showing the evolution of *Nemesis* and the *Blitzspear*. Termight is the ruling planet of a cruel galactic empire, an empire led by the diabolically evil *Torquemada*, a twisted human despot intent on purging all alien life from the galaxy and punishing the deviants. His motto: Be pure! Be vigilant! Behave! But there is rebellion and resistance to his rule in the form of a devilish-looking alien warlock called *Nemesis*, who represents everything that *Torquemada* hates and fears. Together *Nemesis* and *Torquemada* are locked in a duel which will affect the fate of humanity and each of them on a personal level as their conflict spans time and space! (STL300961) (C: 0-1-2)

STRONTIUM DOG: SEARCH AND DESTROY VOLUME 3 HC

(W) John Wagner, Alan Grant
(A/CA) Carlos Ezquerro

In 2150 a catastrophic war led to 70% of Britain's population being wiped out. Strontium 90 fallout led to an increase of children being born with strange mutations. Hated by average humans, the mutants faced terrible oppression when politician, Nelson Kreeleman, introduced a series of anti-mutant laws enforced by a brutal police force. In 2167 the mutants decided to fight back. Among their ranks was a young boy with named Johnny Alpha with white blank eyes and a mutant power that grants him a series of powers, including the ability to see through many surfaces. Co-written by Alan Grant and John Wagner and featuring the artwork of Carlos Ezquerro, this collection features the explosive origin of Johnny Alpha in "Portrait of a Mutant," a tale widely considered to be the greatest *Strontium Dog* story of all. When Sarah Blake went missing on her way to work, it was too much for her sickly father to handle. His passing, coupled with Sarah's disappearance, left her older brothers Danny and Carl filled with rage and loss. With nothing and no one left to lose, the two men decide to spend whatever time they have left hunting down long haul serial killers, uncovering the truth about Sarah, and taking the murderers out in brutal fashion. During their mission for revenge, they learn about a convoy of sociopathic killers known only as The Nine. One of them stole Sarah from beside her broken down car, and the Blake brothers

must violently work their way through the Nine and their protectors until they come to the member who took her. (STL292063) (C: 0-0-1)

Lonnie's Orthodox Jewish community has always been clear: it's not okay to be gay. Growing up in a devout family and going to school at a yeshiva, he's told by his parents, his teachers, and his friends that being gay is a sin and an abomination. But as he gets older, he realizes that he likes boys, and wonders what kind of life he will be able to live. As Lonnie expands his world beyond the yeshiva to theater camp, college classes, and movie nights, he sees that the life he wants isn't compatible with the life of his parents — and his whole religious community. Asian American and Pacific Islander history is American history, but the unique experiences, challenges, and contributions of AAPIs are rarely taught in American schools. For many Americans of Asian American or Pacific Islander descent who grew up in the United States, there continues to be a startling lack of opportunity to learn about our own history in our country. Even today, over 70% of Americans have little knowledge about AAPI history or confuse it with Asian history. *Fighting to Belong!* shares this important and dynamic part of American history in an accessible and engaging graphic novel format. THE MEXICAN GN

(W) Jack London (A) Edu Molina While he was living in El Paso, Texas, writer Jack London became interested in the war raging south of the border. He soon wrote "The Mexican," a short story based on true events that appeared in a 1911 issue of the *Saturday Evening Post*. Juan Fernandez is the pro-labor son of a printer living in Veracruz, Mexico, who publishes stories favorable to striking workers. After escaping a strike where federal troops kill many workers, he changes his name to Felipe Rivera and travels to El Paso and turns to boxing to raise money for Junta Revolucionaria Mexicana, a group of revolutionaries living in exile. Hearing that \$5,000 is desperately needed to buy guns for

frontline fighters in Mexico, he promises to raise the money in a few weeks by taking on a highly favored boxer from New York. In a tale of unbridled passion for his revolutionary cause and drama within the boxing ring, Fernandez wins. "The Mexican" is a story about the complex balance of individual interest and commitment to a larger cause. (STL300742) (C: 1-1-0)

A young space traveler visits Earth on a whim and finds a planet empty of people. She happens upon a strange contraption that contains images of what the planet used to be like, and using this viewfinder, she sees Earth as it was, juxtaposed against Earth as it is: abandoned, but still full of amazing things. Her adventure takes her to a museum full of hints about the planet's past and the strange glowing mushrooms that grow everywhere, a library that has become home to a variety of zoo animals, and a beautiful but crumbling space station from which she makes a daring escape. As she wanders, though, she sees signs that perhaps there is still someone here. A time capsule, a friendly cat and a make-shift railcar all add to the mystery... is she really alone? The lush and captivating art and subtle nod to stewardship in this wordless graphic novel will draw readers in and leave them with a renewed sense of wonder for the resilient and extraordinary place we call home. AMERICAN COMIC BOOK CHRONICLES: THE 1990S HC

The 1990s was the decade when Marvel Comics sold 8.1 million copies of an issue of the *X-Men*, saw its superstar creators form their own company, cloned Spider-Man, and went bankrupt. The 1990s was when Superman died, Batman had his back broken, and the runaway success of Neil Gaiman's *Sandman* led to DC Comics' Vertigo line of adult comic books. It was the decade of gimmicky covers, skimpy costumes, and mega-cross-overs. But most of all, the 1990s was the decade when companies like Image, Valiant and Malibu published million-selling comic books before the industry experienced a shocking and rapid collapse. WOMBATS!: GO TO WIZARD'S WHARF HC

(W/A) Maddie Frost

Pickles decides it's time to make good on an IOU that Albert forgot he gave him four years ago and requests that they take a trip to Wonder Wharf! Albert begrudgingly agrees to accompany his best friend, but amusement parks aren't really his thing. Pickles is determined to make Albert feel the magic around him, but even after exploring all the rides, games, mazes, and prizes that Wizard's Wharf has to offer, Albert still isn't as wowed by this environment as his friend is. Albert doesn't want his practicality to ruin his friend's IOU day, so they continue exploring the park and run into their friend and neighbor, Platters, who's working as a ride mechanic. Platters offers to take them on a tour of a top secret ride that's still under construction, but when the ride has a slight malfunction and the three of them are separated, Albert and Pickles will have to rely on how well they know each other, and maybe even a little magic, to help them find their way out. COUNTERFEIT WORLDS: THE CINEMATIC UNIVERSES OF PHILIP K. DICK SC

(W) Brian J. Robb

Philip K. Dick, the visionary author behind *Blade Runner*, is the most adapted science fiction writer in cinema history. Though he struggled to make a living during his lifetime, his work has since served as a deep seam of ideas to be mined by filmmakers such as Ridley Scott, Paul Verhoeven, Steven Spielberg, John Woo, and Richard Linklater, resulting in some of the most successful and influential SF movies of all time. For the still-unequaled future world of *Blade Runner* to the mind-bending *A Scanner Darkly*, via the blockbusting action/adventure of *Total Recall*, *Paycheck* and *Minority Report*—not to mention the debt of gratitude films like *The Matrix* and *The Truman Show* owe to his work—the legacy of Philip K. Dick has revolutionised Hollywood. *Counterfeit Worlds* is the first book to trace the history of Philip K. Dick screen adaptations, both in cinema and on television. (STL300841) (C: 0-1-1)

The story of video games is often told as the successive rise of computers and consoles from famous names like Atari, Commodore, Nintendo, Sega, Sony and Microsoft. But beyond this familiar tale, there's a whole world of weird and wonderful gaming machines that seldom get talked about. *Curious Video Game Machines* reveals the fascinating stories behind a bevy of rare and unusual consoles, computers and coin-ops. There are tales of missed opportunities, like the astonishingly powerful Enterprise 64 computer, which got caught in development hell and arrived too late to make an impact on the British mi-

SETBACK GN**

(W/A) Jon Chad

When The Solvers accidentally drink a shrinking potion, the pint-sized superheroes must learn all about fractions and decimals to mix an antidote and stop supervillain Null Void from taking over the city! Throughout the action-packed narrative, clear, step-by-step instructions and illustrated, superhero-themed examples introduce readers to fractions and decimals and then teach how to add, subtract, multiply and divide them, in a super easy-to-understand way. **IRON MAIDEN:
PIECE OF MIND HC**

(W) Bruce Dickinson & Various
(A) Various

40 years have passed since the release of *Piece of Mind*. More than an album, it was a thunderous statement of intent by a band whose meteoric rise from the East End of London would propel them to the world stage, thrusting them into the realms of legend. This commemorative tome, containing comics, art, and remembrances from acclaimed writers, artists, musicians and storytellers, is a powerful celebration of the unparalleled vision which inspired them—the living legend that is Iron Maiden. Shirai is a math teacher with a problem... a handsome young problem, named Akagi. Akagi is an actor, but he's still in school, and can't always make it on time to class. As a result, Shirai has to give him individual instruction to ensure that his studies don't suffer. The problem is, Akagi is in love with Shirai, and won't give him a moment's peace.

It is an age of paranoia, superstition and religious fanaticism and the kingdom of Excludo is being engulfed in flames. The people are under the thrall of witch hysteria and burnings and executions have become a common sight. But the witch trials and inquisitions are a fraud and countless innocent women, falsely accused as witches, are being burned at the stake.

Love Nest 2nd, Volume 2

Story and Art by YUU MINADUKI

The year-end holidays have arrived, and Masato is finally bringing Asahi home to meet his mother... as a "friend." But encouraged by memories of his mother telling him to live life how he wants to, Masato decides he will someday confide in her the truth of his relationship with Asahi. And as Asahi watches over this positive change in Masato and realizes just how important he's become to him, trauma from Asahi's own past bubbles up to torment him.

I'm Rei Hitoma, a self-professed misanthrope thanks to some past trauma. A year has already passed since I started teaching at Shiranui Private High School where demi-human girls learn how to become regular human beings. And now there are three new additions to my class: a dragon, a mouse, and a black cat. But somehow these students are much more troublesome than my previous ones... What will this new school year bring? Can someone like me—someone who hates people—really help these demi-humans realize their wish to become real humans?

THE UNCANNY COUNTER, Vol. 1

By E Jang

The word is that the noodle shop on the corner serves broth that's out of this world. But little do they know...it's actually run by people from the afterlife! To be more precise, the restaurant is a front for individuals called Counters who have formed contracts with souls from the hereafter. They were given special powers for their job—hunting down renegade souls who have escaped into Earth to prey on the living. When So Mun, a high schooler disabled by a tragic car accident, is invited into the group, he hesitates...until he's offered a chance to meet his deceased parents as a reward. Can he complete the mission and tell them the words he never got to say?

THE WHITE AND BLUE BETWEEN US GN

(W/A) Kiyuhiko

Is it ever too late to make up for a lie? Or can the opportunity be swept away, like white clouds across a blue summer sky? It's been seven years since Hozumi left the island town he grew up on, leaving behind not only the seaside, but also Mishima—his close friend and first love from high school. The two haven't spoken since Hozumi turned Mishima down when he rejected him and lied about his own feelings, so when Hozumi returns for his high school reunion, he wants nothing more than to make amends with Mishima—a task easier said than done. In their years apart, Mishima has distanced himself from not only Hozumi, but everyone in the entire town, choosing to live alone in the lighthouse his grandfather used to tend to. Will Hozumi finally be able to break down Mishima's walls, clear the air between them, and finally confess his true feelings, or are the two fated to be separated from one another? (A/CA) Takashi Iwasaki
This sequel to the popular *Grimoire of Zero* series introduces new settings and protagonists, while retaining the thrilling action, detailed worldbuilding, and emotional resonance of its predecessor. Saybil is a magic student with no memories of his life before he met a mysterious silver-haired woman in an alley. Now he travels with his teacher, Loux, another student named Holt, and the beastfallen Kudo for "special training"... but this field trip may not be as routine as it seems! (STL301498) Scheduled to ship in February 2024. (C: 1-1-1) **NOTE:** No countries actually denied.

**JUDGE DREDD:
CURSED EARTH DREDD 1/18-SCALE
PREVIEWS EXCLUSIVE FIGURE**

From Hiya Toys. A **PREVIEWS** Exclusive! He's ready for the most unforgiving place on Earth: the 1/18-scale *Cursed Earth Judge Dredd* action figure joins your collection as an Exquisite Mini from Hiya Toys. With a first introduction in 1977, *The Cursed Earth* is the irradiated wasteland separating the great Mega-Cities of the eastern, western, and southern coasts of North America. The result of the devastating Atomic Wars of the 2070s, this blasted landscape is populated by mutants, marauders, cannibals, and even rampaging Tyrannosaurs Rex. It is an unforgiving place, where even Judges fear to tread—but if there's one future cop who can bring law to this lawless land then it's Judge Dredd! The *Cursed Earth Judge Dredd* figure stands at 4" tall, with 16 points of articulation, plus shoulder and joint pads, and chain and badge of office. As well as his Lawmaster gun, formidable daystick, and sets of interchangeable hands, he comes wrapped in his special Radcloak to protect himself from the poisoned landscape of the *Cursed Earth*. **THE TEXAS CHAINSAW MASSACRE:
LEATHERFACE EXQUISITE
SUPER 1/12-SCALE
PREVIEWS EXCLUSIVE FIGURE**

From Hiya Toys. A **PREVIEWS** Exclusive! Unleash the Horror! Leatherface Returns! Hiya Toys is glad to announce the brand new *Texas Chainsaw Massacre* 1/12-scale Leatherface action figure in the **EXQUISITE SUPER** series! Set 48 years after the original movie, *Texas Chainsaw Massacre 202*, this brand new Leatherface action figure is based on the iconic look from the movie and stands at 6 1/4" tall with 19 points of articulation. Featuring an all-new highly poseable body, the figure authentically recreates Leatherface's rotund physique, disheveled shoulder-length hair, and the disturbingly accurate facial skin mask. Hidden joints are cleverly integrated into the neck and torso, while numerous articulation points throughout the body allow to recreate various poses from the movie. The shirt, pants, and apron are crafted from real fabric for added realism. The head sculpt captures Leatherface's facial features, and comes with three iconic weapons: chainsaw, cleaver, and hammer, along with three blood splatter effects. The figure includes the unforgettable final scene accessory—a replaceable head of one of the main characters, Melody, severed by Leatherface—and additional six interchangeable hands, allowing fans to recreate the movie's most memorable moments. Sasuke was a natural in the field with his impressive fighting skills and quick thinking making him arguably one of the top students in his class. He is a member of Team 7 alongside Naruto Uzumaki and Sakura Haruno lead by Kakashi Hatake. (STL295116) Item has been previously solicited in *New to Order*. Scheduled to ship in December 2023. (9036/87534) (C: 1-1-2) **NOTE:** Available only in US, Canada, and US territories.

Figure \$10.99

NARUTO ULTIMATE LEGENDS: SASUKE FIGURE

From BNTCA - Toy. The Ultimate Legends - *Naruto: Sasuke Uchiha (Adult) Action Figure* stands at approximately 5" tall with 27 points of articulation allowing infinite posing and display options. The figure was created with exceptional details to look exactly like the shinobi in the popular anime series, *Naruto Shippuden*. Sasuke, well known as one of the last remaining members of his clan had his mind set out to get revenge on the man who massacred his whole clan which was his older brother Itachi. Sasuke was hungry for more power and ended up taking measures into his own hands by leaving the Hidden Leaf. He is constantly being searched for by his sworn rival, Naruto Uzumaki. (STL295117) Item has been previously solicited in *New to Order*. Scheduled to ship in December 2023. (9036/87535) (C: 1-1-2) **NOTE:** Available only in US, Canada, and US territories.

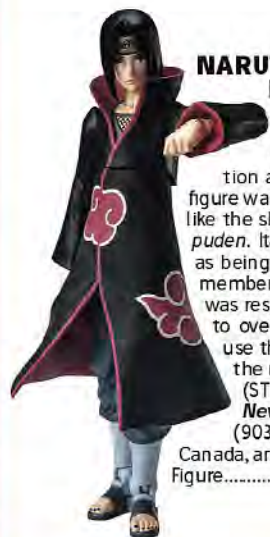

Figure \$10.99

NARUTO ULTIMATE LEGENDS: ITACHI FIGURE

From BNTCA - Toy. The Ultimate Legends - *Naruto: Itachi Uchiha (Adult) Action Figure* stands at approximately 5" tall with 27 points of articulation allowing infinite posing and display options. The figure was created with exceptional details to look exactly like the shinobi in the popular anime series, *Naruto Shippuden*. Itachi, a genius among his peers, was well known as being the one who was responsible for killing all the members of his own clan except for Sasuke Uchiha. He was respected and feared by his allies and enemies due to overwhelming combat presence. With his ability to use the Sharingan to its max potential, he was one of the most powerful in the ninja world during his time. (STL295118) Item has been previously solicited in *New to Order*. Scheduled to ship in December 2023. (9036/87536) (C: 1-1-2) **NOTE:** Available only in US, Canada, and US territories.

DESIGNER TOYS

ORIGINAL TAMAGOTCHI

From BNTCA - Toy. The Original digital pet you loved in 1997 is back with three new shells—milk and cookies, pastel marble, and neon lights! With original programming, you feed it, clean up after it, take care of it and even discipline it if it's bothering you when it doesn't need you! Plus, you can play the Character game! How you take care of your Tamagotchi and how you do in the game, determines which Adult Tamagotchi you'll get! Includes the CR2032 battery and attaches to your bag so it goes everywhere! (STL295031) Item has been previously solicited in *New to Order*. Scheduled to ship in December 2023. (9036) (C: 1-1-2) **NOTE:** Available only in US, Canada, and US territories.
